

Attendance Comparison Report

Designed to report enrollment and withdrawal information for each school in the time frame. Membership is also reported including students who are in violation of the ten consecutive absences rule.

Enrollment Information

E1 - Initial Entry - No Previous Public School Enrollment

Student's first enrollment in a public school this school year. The student has not been enrolled in a public school in North Carolina or another state this school year, although the student may have been enrolled in a non-public school this school year either in North Carolina or another state. The E1 code should be used for all students from a country other than the United States who enroll in a North Carolina public school for the first time.

E2 - Initial Entry - Previous Public School Enrollment Outside State

Student's first enrollment in a public school in North Carolina this school year. The student was enrolled previously in a public school in another state this school year.

R1 - Re-entry - Previous Internal W1

Student's subsequent enrollment in this school this school year. The student is withdrawn as an internal transfer and re-entered into another grade/homeroom/attendance category in the same school and under the same principal. The R1 date and W1 date must be the same.

R2 - Transfer Entry - Previous North Carolina Public School Enrollment in Same LEA

Student's first enrollment in this school this school year. Student transferred during this school year from a public school in the same LEA. For the purpose of assigning the R2 code, a charter school should be viewed as part of the LEA in which it is located. Students transferring from one Charter School to another during the school year should be coded R2 if both Charters are within the same LEA.

R3 - Transfer Entry - Previous North Carolina Public School Enrollment in Another LEA

Student's first enrollment in this school this school year. Student transferred during this school year from a public school in another North Carolina LEA.
