

Dear Friends of Saint John's Catholic Prep,

The 38th Annual Soiree returns to the Saint John's Catholic Prep campus on Saturday, March 23, 2019. This annual fundraising event has enabled us to continue to invest in the education of our students and maintain the tradition, since 1829, of fostering an environment of academic excellence, community service and leadership. This year's theme is *Sequins & Sails*. It promises to be an evening of both casual and elegant fun featuring music, dancing, a dinner and dessert buffet, live and silent auctions, raffles and more!

We welcome your personal and business contributions. Please consider a **donation** in the form of gift certificates, retail products or services, or monetary contributions. Your donation will be displayed and acknowledged on our auction table along with any promotional materials you may provide. All donors will be proudly recognized during the evening and on our website.

Attached, you will find the completed donation request form. Questions regarding donations may be directed to Maggie Ballantyne, Advancement and Communications Specialist and Soiree Chair, at 301-662-4210 or mballantyne@saintjohnsprep.org.

Saint John's Catholic Prep appreciates your support in making a difference in our community. Please join us by donating to the 2019 Sequins & Sails Auction and becoming part of our mission.

Sincerely,
