FACULTY: Of the 31 faculty members in the Upper School, 28 hold advanced degrees in their fields. All teachers serve as faculty advisers and most coach or sponsor student clubs and activities.

SPECIAL CURRICULUM FEATURES: Seventeen Advanced Placement courses are offered in six disciplines. In the last four years, 459 Oak Hall students have taken 1,004 AP exams; 78% of the exams were scored 3 or higher. Students are normally limited to four AP courses. Qualified juniors and seniors may be dually enrolled for both college and high school credit in courses offered at the University of Florida and at Santa Fe College. All seniors are required to complete a two week off-campus Senior Project with either a vocational or a community service focus and to complete 10 hours of approved community service for each year of Upper School enrollment.

GRADING, GRADE POINT AVERAGE, RANK IN CLASS, AND HONOR ROLL COMPUTATION:

A = 100-90 Excellent    B = 89-80 Very Good    C = 79-70 Satisfactory    D = 69-60 Poor    F = Below 60

Grade point averages are calculated on a traditional four point scale. GPAs include grades in all classes except elective PE courses taken at Oak Hall beginning in Grade 9. Grades earned in AP classes are weighted one point and grades earned in Honors courses are weighted .5. Art Conservatory Program courses taken within a student's designated concentration (theatre/music/visual arts) as a junior or senior, are weighted one point as well. Oak Hall does not calculate rank in class. Honor rolls are published at the end of each quarter. To qualify for the Honor Roll, a student must have earned no grade below "B-." To qualify for the High Honor Roll, a student must have earned no grade below "A-."

## PROGRAM OF STUDY

The school year is divided into semesters. Examinations are administered at the end of each semester. Students are required to enroll in and satisfactorily complete six credit courses each year (including four academic classes). Juniors may take five credit courses if all of them are AP. Seniors may take five credit courses if four of them are AP or dual enrollment courses. All students must earn 24 credits for graduation.

Established in 2010, the Art Conservatory Program (ACP) allows students to concentrate in theater, music, or visual arts. The ACP is designed to enhance students' problem-solving skills, global/cultural awareness, and critical thinking skills through intensive creative study. Entrance is by audition or portfolio; upon graduation, students earn special designation on their diplomas and transcripts.
