*This information is a tool for you if you are considering transferring funds from your current 403(b) vendor to the new 403(b) plan at The Standard. A General Checklist is followed by specific instructions that were developed for the most common 403(b) vendors. If you need additional guidance through the process, contact The Standard at (800)858-5420. \**

### General Checklist

- 1) You need to pay particular attention to your contract to know if you are subject to surrender charges or other distribution fees if you decide to transfer/exchange your current 403(b) plan to the new 403(b) plan. Call your advisor or the telephone number on your statement and speak with a client service professional. Ask them the following questions:
  - How much is my total account balance as of today? \_\_\_\_\_
  - If I were to transfer these funds to my employer's new 403(b) plan today, how much is my surrender fee? \_\_\_\_\_
  - Are there any other distribution or account closing fees? \_\_\_\_\_
  - How much money would the check be for? \_\_\_\_\_
- 2) Decide if you want to transfer your 403(b) to The Standard.
- 3) If you do, call your advisor or the telephone number on your statement and speak with a client service professional.
  - Tell them, your employer's new 403(b) vendor is The Standard.
  - Will you accept The Standard's 403(b) transfer form? \_\_\_\_\_
  - If no, can you mail me, email me, or can I download the 403(b) transfer form?
  - Does my signature need to be signature guaranteed? \_\_\_\_\_
  - Where do I mail my completed form? \_\_\_\_\_
- 4) If they will accept The Standard's form, Use The Standard's "Application for 403b Transfer" form. You can print a copy at [www.dexterschools.org](http://www.dexterschools.org) → Administration → Business Office → Staff 403b/457. The direct link is:  
<http://www.dexterschools.org/Payroll/403b%20Transfer%20form%20to%20The%20Standard.pdf>.
  - a. Complete the sections: Participant Information, Current Provider Election, and Special Instructions.
  - b. If in step 3, they told you that your signature needs does not need to be signature guaranteed, sign the form.
  - c. However, if in step 3 they told you that your signature does need to be signature guaranteed, DO NOT SIGN THE FORM. Instead, take your completed form to your bank or credit union to have your signature guaranteed. You may need to call ahead because generally there is only one person at the bank who can do this for you. Banks do this as a service for customers at no charge. This is not the same as a notary.
- 5) If you have to use your current vendor's form, complete the sections based on the instructions.
- 6) Make a copy of the completed form for your records.
- 7) Mail the original form to the address they gave you in step 3. Attach a copy of a recent statement, for verification of account number. This is not required, but would be helpful.
- 8) Fax a COPY of the forms to The Standard at (971)321-7998, so they know the money is coming.

- 9) Interoffice mail a COPY of the forms to the Dexter Community Schools payroll & benefits office, so we have the information if we need to assist with the process.
- 10) Your current 403(b) provider will issue a check made payable to Reliance Trust Company and mail it directly to The Standard for deposit into your new 403(b) plan. If you happen to get a check in the mail, DO NOT CASH THE CHECK. Send it to:

 1100 Abernathy Road

 Atlanta GA 30328
- 11) If you have questions on your account, contact your advisor or the telephone number on your statement.
- 12) This is a non-taxable, non-reportable (to the IRS) exchange.

*\* For rollovers from a prior employer's 403(b), 401(k), 457 or IRA arrangement, you will use a different form specifically for ROLLOVERS (as they are different than a 403(b) transfer/exchange). Use The Standard's "Rollover Contribution Form" form. You can print a copy at [www.dexterschools.org](http://www.dexterschools.org) → Administration → Business Office → Staff 403b/457.
