| 2150 | Board of Directors Representation and Speaking in Public Policy |
| Approval Date: | January 2013 |
| Category: | School Board Governance |
| Governance Accountability: | PLP Board of Directors |
| Audience: | PLP Board of Directors |

Board members who are asked to speak publicly may do so, provided the public speaking event does not reflect negatively on Pine Lake Preparatory. If any advertisement or publicity of the engagement promotes the individual as a member of the Pine Lake Preparatory's Board or promotes the board member's affiliation with Pine Lake Preparatory, or the Board member intends to speak about Pine Lake Preparatory, then the board member shall inform the board and seek board approval before agreeing to speak at said engagement.

A board member may speak publicly without board approval so long as he/she is not promoted as a representative of the school. The Board member may reference he/she serves on the board while he/she speaks, provided said board member does not represent him/herself speaking for the board or on behalf of Pine Lake Preparatory. All board members shall use reasonable effort to make clear to the audience they do not represent the board or the school.
