Pine Lake Preparatory will make the decision to return to school independent of neighboring school systems such as Iredell-Statesville or Charlotte-Mecklenburg Schools concerning intentions to return to school. If a parent or legal guardian thinks the road conditions are not suitable for safe travel, they should not send their child to school.

Pine Lake Preparatory creates and maintains action plans to clearly prepare Athletic Trainers, coaches, administrators, spectators, and players for various emergency plans. If you wish to see a copy of these plans, please contact the Athletic Director.
