

6140	High School Credit Option Policy
Approval Date:	February 2013
Category:	Students
Governance Accountability:	Leadership
Audience:	Students, Families

In an attempt to provide our students with as many opportunities as possible to be successful while attending Pine Lake Preparatory Upper School, several options are available for students to earn high school credit outside of traditional classes at Pine Lake Preparatory.

All options must receive prior approval from the upper school administration before beginning a course. During the academic year, only courses that are not available on campus will be approved. Families will be responsible for any and all costs associated with choosing an alternative credit option.
