

Dear Friends of Saint John's Catholic Prep,

Saint John's Catholic Prep has been part of Frederick's rich history and growing community since 1829. We are the only private, Roman Catholic, co-educational, college preparatory high school in the area. Saint John's fosters an environment of academic excellence, community service, and leadership that has inspired so many young minds of Frederick and surrounding counties to go into the world and make a difference.

Your support as a **Sponsor** of our largest annual fundraiser, the 38th Annual Soiree: Sequins & Sails on March 23, 2019, is both critical and valuable in assisting us as we continue to expand and enrich this historic educational landmark. All proceeds from this event are invested thoughtfully and directly to the greatest areas of need at the school.

Attached you will find a Sequins & Sails Corporate Sponsorship Form. The form details the promotional benefits that accompany the various levels of sponsorship.

This year's Soiree expects to bring in over 300 attendees including parents, friends, and community members. Countless others see all sponsorship information as it is prominently featured on our website and other written materials, in addition to the attention received at the event. Exposure for all sponsor companies is significant.

We would love for you to join us at this fun fundraising event to experience our school community and understand the ways in which your donation makes a difference. It promises to be an evening of both casual and elegant fun featuring music, dancing, a dinner and dessert buffet, live and silent auctions, raffles and more! We are grateful for your consideration of Saint John's Catholic Prep.

Sincerely,

Maggie Ballantyne '12
