

'5W' Interrogative Dice

'5W' Interrogative dice are excellent tools to encourage student engagement, offer personal choice, and develop articulation of understanding.

Preparation:

- Provide one die for 2 – 6 students
- Teach your expected dice procedure
- Post questions on screen or on paper at each table
- Allow sufficient time for discussion

Procedure and Uses:

Choice of Question: Student rolls die and chooses a provided question with matching interrogative word. Teacher provides 4 to 5 questions for each word.

- **Personal inquiry** (Get-to-Know-You activity)
- **Content review**
- **Comprehension**

Student-Created Question: Student rolls die and creates own question using interrogative word.

- **Analysis of literature, visual arts, history, post field-trip experiences, etc.**
