

Coverage Details

- Safeware policies provide coverage for Accidental Damage, Screen Breaks, Water and Liquid Damage, and Power Surge.
- Safeware also provides protection against perils that cannot be covered by warranties or service contracts. These perils include: Theft, Burglary, Robbery, Vandalism, Fire, Flood, Lightning, Wind, Hail and more.
- Unlike most damage protection programs offered by computer manufacturers, Safeware has no limit of claims or occurrences on it's policy. You are NOT limited to just one claim per year with a Safeware policy.
- Safeware utilizes a nationwide network of repair centers to provide fast, efficient depot services for damage claims.
- In the event of any claim, the student must report the incident to the school within 60 days. The student must also provide a detailed description of events including how, where and when the loss occurred.
- In the event of a theft, a copy of a police report is required. The report must include the make, model and serial number of the stolen equipment.
