SNAP – Shaunna Burbidge

- Talked about several problem areas along routes to school
- West Davis Corridor – exit on 2nd North will increase traffic. Projected start is 2020.

Technology Specialist – Jean Dolling

- Kay's Creek is on track to be a Microsoft Showcase School
- Teachers are taking courses on their own time to earn badges with Microsoft.

Could we possibly compensate teachers next year with our new budget?

21st Century Learning – Sarah Smith

- Developing collaboration, communication, innovation, problem solving, self-regulation, knowledge construction and technology
- All teachers are learning new ways to incorporate the skills into their classrooms
- Students become more autonomous and can learn on their own level. Teachers are more available to help with one on one.
