KINDERGARTEN (Must be 5 by September 1, 2019)

Our program is designed to be a Christ-centered, hands-on, engaging curriculum based on the State of Michigan Benchmarks. Our classroom environment reflects God's creation, inspiring children to know God's world, learn from it, and care for it. Building on each child's natural curiosity, our nurturing staff sets the stage for future success as students become excited about learning, exploring, experimenting, and expanding their friendships.

PROGRESSIVE KINDERGARTEN

Because not every child is immediately ready for 5 full days of kindergarten, our Progressive Kindergarten begins the year with a 3-full-day schedule and then transitions to 5 days in January. This allows children to gradually adjust to the full-time schedule while providing additional time for teachers to review concepts, enrich the curriculum, and help students further develop their reading readiness and other skills.

SPANISH IMMERSION

In the Spanish Immersion program, students are taught a parallel curriculum and are held to the same standards as their peers in the non-immersion program.

Students receive instruction in Spanish and will learn to read, write, and speak in Spanish. The total immersion program begins in preschool and kindergarten and continues through the 8th grade. Continued Spanish programming is offered at the high school, including exciting opportunities for travel, internships, and worship.

Enrolling students in Spanish Immersion requires parents to be committed to the Spanish Immersion program at Grand Rapids Christian Schools.
