New Health Insurance Marketplace Coverage Options and Your Health Coverage

Form Approved
OMB No. 1210-0149
(expires 5-31-2020)

PART A: General Information

When key parts of the health care law take effect in 2014, there will be a new way to buy health insurance: the Health Insurance Marketplace. To assist you as you evaluate options for you and your family, this notice provides some basic information about the new Marketplace and employment-based health coverage offered by your employer.

What is the Health Insurance Marketplace?

The Marketplace is designed to help you find health insurance that meets your needs and fits your budget. The Marketplace offers "one-stop shopping" to find and compare private health insurance options. You may also be eligible for a new kind of tax credit that lowers your monthly premium right away. Open enrollment for health insurance coverage through the Marketplace begins in October 2013 for coverage starting as early as January 1, 2014.

Can I Save Money on my Health Insurance Premiums in the Marketplace?

You may qualify to save money and lower your monthly premium, but only if your employer does not offer coverage, or offers coverage that doesn't meet certain standards. The savings on your premium that you're eligible for depends on your household income.

Does Employer Health Coverage Affect Eligibility for Premium Savings through the Marketplace?

Yes. If you have an offer of health coverage from your employer that meets certain standards, you will not be eligible for a tax credit through the Marketplace and may wish to enroll in your employer's health plan. However, you may be eligible for a tax credit that lowers your monthly premium, or a reduction in certain cost-sharing if your employer does not offer coverage to you at all or does not offer coverage that meets certain standards. If the cost of a plan from your employer that would cover you (and not any other members of your family) is more than 9.5% of your household income for the year, or if the coverage your employer provides does not meet the "minimum value" standard set by the Affordable Care Act, you may be eligible for a tax credit.¹

Note: If you purchase a health plan through the Marketplace instead of accepting health coverage offered by your employer, then you may lose the employer contribution (if any) to the employer-offered coverage. Also, this employer contribution—as well as your employee contribution to employer-offered coverage—is often excluded from income for Federal and State income tax purposes. Your payments for coverage through the Marketplace are made on an after-tax basis.

How Can I Get More Information?

For more information about your coverage offered by your employer, please check your summary plan description or contact Mesquite ISD Benefits Office at Benefis@mesquiteisd.org or 972-882-7359.

The Marketplace can help you evaluate your coverage options, including your eligibility for coverage through the Marketplace and its cost. Please visit HealthCare.gov for more information, including an online application for health insurance coverage and contact information for a Health Insurance Marketplace in your area.

¹ An employer-sponsored health plan meets the "minimum value standard" if the plan's share of the total allowed benefit costs covered by the plan is no less than 60 percent of such costs.

PART B: Information About Health Coverage Offered by Your Employer

** Even if your employer intends your coverage to be affordable, you may still be eligible for a premium discount through the Marketplace. The Marketplace will use your household income, along with other factors, to determine whether you may be eligible for a premium discount. If, for example, your wages vary from week to week (perhaps you are an hourly employee or you work on a commission basis), if you are newly employed mid-year, or if you have other income losses, you may still qualify for a premium discount.

If you decide to shop for coverage in the Marketplace, HealthCare.gov will guide you through the process. Here's the employer information you'll enter when you visit HealthCare.gov to find out if you can get a tax credit to lower your monthly premiums.

Nuevas opciones de cobertura en el mercado de seguros médicos y su cobertura médica

Formulario aprobado
OMB N.º 1210-0149
(caduca el 31-5-2020)

PARTE A: Información general

Cuando entren en vigencia las partes clave de la ley de salud en el 2014, habrá una nueva forma de adquirir seguros médicos: a través del mercado de seguros médicos. A fin de ayudarlo mientras evalúa las opciones para usted y su familia, este aviso brinda información básica sobre el nuevo mercado y la cobertura médica basada en el empleo que brinda su empleador.

¿Qué es el mercado de seguros médicos?

El mercado está diseñado para ayudarlo a encontrar un seguro médico que satisfaga sus necesidades y se ajuste a su presupuesto. El mercado ofrece opciones de compra en un solo sitio, para buscar y comparar opciones de seguros médicos privados. También es posible que sea elegible para un nuevo tipo de crédito tributario que reduce su prima mensual de inmediato. El periodo de inscripción para la cobertura de seguro médico a través del mercado comienza en octubre del 2013 para la cobertura que comienza el 1.º de enero del 2014.

¿Puedo ahorrar dinero en las primas del seguro médico que ofrece el mercado?

Es posible que tenga la oportunidad de ahorrar dinero y reducir su prima mensual, pero solo si su empleador no ofrece cobertura médica u ofrece una cobertura que no cumple con determinadas normas. Los ahorros en la prima por la cual puede ser elegible dependen de los ingresos de su familia.

¿La cobertura médica del empleador afecta la elegibilidad para los ahorros en la prima a través del mercado?

Sí. Si su empleador brinda cobertura médica que cumple con determinadas normas, no será elegible para un crédito tributario a través del mercado y es posible que desee inscribirse en el plan de salud de su empleador. No obstante, es posible que sea elegible para un crédito tributario que reduce la prima mensual o para una reducción en la cuota de los costos si su empleador no brinda cobertura o no brinda cobertura que cumple con determinadas normas. Si el costo del plan de su empleador que le brindaría cobertura a usted (y no, a los demás miembros de la familia) supera el 9.5 % del ingreso anual de su familia, o si la cobertura médica que brinda su empleador no cumple con la norma de "valor mínimo" establecida por la Ley del Cuidado de Salud a Bajo Precio (Affordable Care Act o ACA, por sus siglas en inglés), es posible que sea elegible para un crédito tributario.¹

Nota: Si adquiere un plan de salud a través del mercado en lugar de aceptar la cobertura médica que brinda su empleador, es posible que pierda las contribuciones (si las hay) que el empleador da para la cobertura médica que brinda. Además, las contribuciones del empleador (así como sus las contribuciones como empleado para la cobertura médica que brinda el empleador) a menudo se excluyen del ingreso sujeto impuesto federal y estatal. Los pagos para la cobertura médica a través del mercado se realizan después de impuestos.

¿Cómo puedo obtener más información?

Para obtener más información sobre la cobertura que brinda el empleador, consulte el resumen de la descripción del Plan o comuníquese con Personal de prestaciones del MISD - 972-882-7359 Benefits@mesquiteisd.org

El mercado puede ayudarlo a evaluar sus opciones de cobertura, incluida su elegibilidad para la cobertura a través del mercado y sus costos. Visite CuidadoDeSalud.gov para obtener más información, incluida una solicitud en línea de cobertura de seguros médicos e información de contacto para un mercado de seguros médicos en su área.

¹ Un plan de salud patrocinado por el empleador cumple con la "norma de valor mínimo" si la participación del plan en los costos totales de beneficios permitidos cubiertos por el plan no es inferior al 60 por ciento de dichos costos.

PARTE B: Información sobre la cobertura médica que brinda su empleador

A continuación, encontrará información básica sobre la cobertura médica que brinda este empleador:

- Como su empleador, ofrecemos un plan de salud para los siguientes:

- Todos los empleados.
- Algunos empleados. Los empleados elegibles son los siguientes:

El distrito ofrece una cobertura de salud a través del TRS-ActiveCare a todos los empleados y sus dependientes que califican para recibirlo. El manual de inscripción de TRS-ActiveCare describe lo que se necesita para calificar para recibir el seguro médico. La cobertura que ofrece ActiveCare cumple con el estándar menor de valor y se intenta que el costo de esta cobertura sea económico. Para calificar para recibir TRS ActiveCare, usted debe ser contratado por un distrito o entidad participante y ya sea ser un miembro de TRS ActiveCare o haber sido contratado 10 o más horas regulares cada semana.

- En cuanto a los dependientes:

- Sí ofrecemos cobertura médica. Los dependientes elegibles son los siguientes:

El Guía de Registro TRS-ActiveCare describe la elegibilidad. La cobertura que le ofrece ActiveCare logra el estándar de valor mínimo y el costo de esta cobertura se intenta que sea de bajo precio.

- No ofrecemos cobertura médica.

- Si marca esta opción, esta cobertura médica cumple con la norma de valor mínimo. Asimismo, el costo de la cobertura se pretende que sea asequible para usted según los salarios de los empleados.

** Incluso si el objetivo de su empleador es brindarle cobertura asequible, es posible que sea elegible para obtener un descuento en la prima a través del mercado. El mercado utilizará el ingreso de su grupo familiar, junto con otros factores, para determinar si es elegible para recibir un descuento en la prima. Si, por ejemplo, sus salarios varían de una semana a la otra (tal vez es un empleado por hora o trabaja con comisiones), si fue contratado recientemente a mitad de año o si tiene otras pérdidas de ingreso, aún así es posible que reúna los requisitos para recibir un descuento en la prima.

Si decide adquirir cobertura a través del mercado, visite CuidadoDeSalud.gov para obtener instrucciones sobre cómo hacerlo. Aquí encontrará la información del empleador que debe ingresar cuando visita CuidadoDeSalud.gov para saber si puede obtener un crédito tributario para reducir las primas mensuales.
