PAT COMMENTS

Dining Commons

- Consider queue outside: function, feel, etc. (pro/con)
- Need permanent queue lines (arrows on the floor don't work)
- Force pedestrian traffic across café; energize "back"
- Split lines for speed
- Ensure space at doors is avail./open; extend lines further within space
- Back entry helps discharge to courtyard
- Capturing max. expansion both sides desired
- Can seating be separated or reconfigured?
- Supervision of students "cutting" important operationally
- Utilize hallway plan-south for queuing?
- 2nd floor classroom traffic congested too much w/ removed stair?
- "Test" block stair to observe?
- Repurpose classroom off café to lunch det.?
- Develop exterior space/connection

Library

- 2nd floor doors lock to limit security & monitoring of spaces by 1 librarian
- Support spaces
- 2nd floor "academic"; 1st floor social
- w/ 1:1 Chromebooks; decreased comp. workstations – 20 used for academic
- Existing classroom on level 2 becomes 2 flex classrooms? – partition wall (operable)
- Design to personalized learning
- Keep or plan classroom is utilized
- Circ. desk front or middle of space
- "Tech" office exists & is needed – prefer 1st flr w/ storage included
- Lib. Office can be small/shared – need some stor.
- Flexible seating desired
- Gallery should be interactive areas
- Broadcast studio space needed – 2nd flr.
- Classroom can be similar or slightly smaller than existing.
