309 PALMER HILL ROAD
RIVERSIDE, CONNECTICUT 06878**

Dear Parents,

Since August 31, 2016, no outside food is permitted for classroom celebrations. In keeping with the goals of our Wellness and Food Allergy policies, outside foods (cupcakes, candy etc.) are NOT permitted for classroom birthday celebrations. Each child's birth may be recognized in school, but only with non-food items or activities.

At North Mianus, each grade level, in consultation with the PTA has determined how birthdays will be celebrated and this information will be shared with you by the teachers. Each birthday, including those on weekends and vacations will be announced on the intercom.

For further information, feel free to read the district's policy:

[Revised Procedure E-051.8 Wellness – Nutrition and Physical Education](#)

Sincerely,

Angela Schmidt
