Business

Katie Scholer reviewed the by-laws. Areas of concern were discussed and changed.

By-law changes:

Page 4, Information to School and Community, Item A

VOTE = 17 yea/0 nay

Now reads:

The proposed meeting schedule for the year will be provided by October 15th.

Page 5, Information to School and Community. Item #1

VOTE = 17 yea/0 nay

Now reads:

Providing individual delivery to each household with a student attending the school by any of the following:

Minutes from last minute were read and approved.

VOTE = 17 yea/0 nay

The use of Robert's Rules of Order for meetings were reviewed and approved.
VOTE = 17 yea/0 nay

Report on October State Community Council meetings were discussed.
Dana Jensen reported on a data meeting and panel class she attended.
Look for schools with high scores and check out their SIP.
Ideas for spending money: character ed. and STEM fest

Adrienne Kennett reported on a data class she attended.
USBE Rebecca Peterson discussed Implementation Science by Karen Blasie. In this class it was discussed how when digging through data you must look deeper and deeper, asking Why? As you progress. Using all elements of this program, students improved 80% in 3 years (without this program improvement is closer to 14% in 17 years).

Katie Scholer reported on information she received from Logan Toone.
He talked about the timeline of developing an SIP draft by February.

Principal Kennett reviewed the Land Trust budget and explained our YTD expenses in each area. Discussion was made as to how some money will likely need to be moved from one area to another in the future to balance out technology expenditures.

School security issues and use of tickets as a "Fast Pass" to school events was discussed. Principal Kennett reported on how well they have been working.

Digital Citizenship training was discussed. Principal Kennett is working on getting in contact with Net-Smartz to schedule a training for the students.

The number and frequency of fundraisers at our school was addressed.
The PTA has one fundraiser this year: Wasatch Savings
The school has one fundraiser this year: Chocolate
It was suggested that we put more distance between these two fundraisers in the future.

Next Meeting

December 4, 2018 at 4:00 in the library
