LX HEADGEAR

CASCADE LX FEATURES PROTECTION

1 PORON XRD:

Poron XRD offers maximum comfort with the ability to dissipate forces experienced upon impact.

poron[®]xrd

2 STEEL FACE MASK:

The LX steel mask is designed with open sight lines and an ergonomic shape.

3 DESIGNED FOR WOMEN'S LACROSSE:

The LX was designed specifically for women's lacrosse and reduces forces associated with accidental ball-to-head and stick-to-head contact.

4 FLEXIBLE OUTER SHELL:

The LX outer shell is tough on impact, but still soft and flexible to the touch to keep unprotected players safe.

CASCADE LX FEATURES **FIT & COMFORT**

5 KEEP IT SIMPLE:

Our integrated goggle system relieves the facial pressure experienced by a separate goggle. LX one-piece protection keeps gear simple.

6 FIND YOUR FIT:

We're all built a little differently. So we've designed the LX to adjust to varying head shapes and sizes with our **rear adjustable strap (6A)**. And whether players are feeling a high braid or a low pony, the LX has **dual hair slots (6B)** for whatever they're rocking that day. The LX also comes with three **interchangeable cheek pad sets (6C)** to help players find that perfect fit.

7 AIR IT OUT:

We know what it's like to be heating up on the field. We've built in large air vents to keep players breezy, dry and comfortable.

8 REP 'EM:

The LX outer shell gives plenty of room to represent with custom team decals.
