NUTRITIOUS & DELICIOUS

## Payment to your Dragon Dining lunch account

Dragon Dining will create a lunch account for all students attending YIS before school commences.

You will then receive an email from dd@yis.ac.jp with a link to the Dragon Dining portal and your login details.

You can set your spending limits and dietary requirements through the portal.

Parents add funds through online or cash payments to their family's prepaid lunch account for their children to spend.

Students new to the system will register a fingerprint in the cafeteria and will be taught how to access their lunch account and make purchases.

Dragon Dining staff will be on site to assist students through the process.

Cash is the simplest top up method.

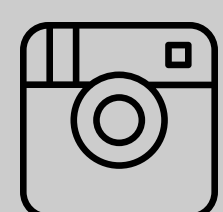

Our in-house kiosk will accept all Japanese bank notes.

Any family member can top up the family account.

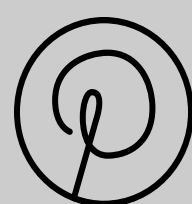

The kiosk issues receipts with all deposits.

Transactions and deposits can be viewed through the Dragon Dining portal.

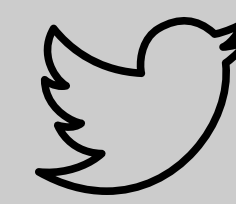

We are a professional team of chefs who offer a fresh, creative and environmentally responsible approach to school food.  
We cook and serve meals at YIS that your children will love.
