- I. Lorraine Vavul- opened the meeting with a prayer and then everyone in attendance introduced themselves and their affiliation with Cathedral High School.
- II. Duane Emery-Vice President for Enrollment Management, was our special guest, and he talked about all the things that go on in getting families to come to Cathedral for their education.

He first talked about why the Mothers Club is near and dear to his heart. About 15 years ago, his family had a house fire and they lost everything. The bowling club along with others associated with the Mothers Club stepped up and helped provide them with whatever they needed. He is forever grateful!

He then talked about the different aspects of enrollment:

- visiting the school
- shadowing, where a prospective student follows a cathedral student for the day
- they are now offering Parent Preview days, where Mom and Dad can sit in on classes. They are expecting around 100 parents to do this
- started a new early enrollment program where the prospective student can enroll now and will get their acceptance letter by Thanksgiving

OPEN HOUSE-THURSDAY NOV. 8

need volunteers for the following: need to be at school before 5pm

- helping with tours
- helping with getting people in the cafeteria
