Freshman Physical

The state of Illinois requires every incoming Freshman to have a new physical.

You will be receiving a Health Examination form at registration which you need to have completed by a doctor or nurse. Completed physicals should be turned into the Principal’s Office by July 25, 2019.

Students will NOT receive their final schedule in August, and may not start school on time, unless we have an approved health form on file. We encourage you to make an appointment with your doctor for a physical as soon as possible to avoid the rush on physicians during the last days before school.

If you do not have a record of your child’s immunizations, please contact their junior high immediately to obtain a copy.
