

Many the Gifts

In Celebration of Pioneering

CAC DONORS

We are deeply appreciative of our donors, whose 400+ gifts and pledges made the Carondelet Athletics Complex a reality. This historic outpouring of support includes a generous lead grant from an anonymous foundation, several mid-six figure gifts from Carondelet families, and more than 300 gifts of \$1,000 or more.

President Bonnie Cotter said, "With their generous gifts, these donors have made a statement - our girls deserve facilities that match their commitment to excellence in athletics. Their giving has demonstrated that a new culture of philanthropy is emerging at Carondelet. We are so very, very grateful."

All donors of \$1,000 or more to the Complex are recognized on Gratitude Pillars in the facility's courtyard. Naming recognition also includes the Natalie Coughlin Aquatic Center, the Hamill Family Performance Center and Jeffery Field.

SOCIETY
