

Plumbing Technician II
New Hanover County Schools

Job Description

Class: Classified

Dept: Maintenance Operations

TITLE: Plumbing Technician II

QUALIFICATIONS:

1. High School degree or equivalent.
2. Three years of progressive experience in the repair, replacement, or construction of piping systems; or an equivalent combination of education and experience.
3. Valid Plumber's Journeyman's card and North Carolina driver's license.

REPORTS TO: HVAC/Plumbing Foreman

JOB GOAL: To perform journeyman's level duties in the installation, maintenance, modification, and/or repair of air, gas, water, steam, and waste disposal systems.

ESSENTIAL FUNCTIONS AND RESPONSIBILITIES:

1. Follow all rules and procedures as required by Maintenance Operations.
2. Cut, thread, assemble and install pipes; connect valves; caulk joints; and test finished job by allowing water to flow through.
3. Install gas, water, steam, and sanitary fixtures and equipment with their supports, hangers, or foundations.
4. Assemble lead pipe sections and fittings, and hang or lay them in position.
5. Analyze defects or malfunctions in the plumbing systems; eliminate leaks by repacking valves or replacing faulty fittings or sections in lines; replace worn parts and perform similar duties necessary to correct the problem.
6. Responsible for completing all data where applicable for closing work orders daily.
7. Willing to be on-call in case of emergency.

8. Perform related duties and responsibilities as requested by the Foreman or Director of Maintenance Operations.

The above statements describe the general nature and level of work being performed by individuals assigned to this job. This is not intended to be an exhaustive list of all responsibilities and duties required of personnel so employed.

Terms of Employment: Twelve month work year/At Will/FLSA Non-Exempt

Starting Salary and/or Grade: Grade 67

Evaluation: Performance of this job will be evaluated in accordance with provisions of the Board and local policy on evaluation of personnel.

Knowledge, Skills and Abilities:

- Demonstrate functional knowledge of the methods of installation and repair of plumbing systems.
- Demonstrate functional knowledge of the safety precautions of the plumbing trade.
- Skilled in the use of tools, materials, and equipment commonly used in the performance of plumbing work.
- Physical ability and dexterity to perform duties and responsibilities of the job; ability to understand and carry out verbal and written instructions.
