

As you are aware, many Middle School Students are required to purchase an iBook for their classes this year. Financial assistance is available for those families who receive financial aid and are required to purchase an iBook for 2018-2019. Gilman School will credit your Gilman account with the percentage of aid that you receive for 2018-2019 tuition based on the total cost of the required iBook(s) that you purchased.

Example 1: If you receive a 60% Financial Aid Package for 2018-2019 and you purchase a required iBook for \$20, Gilman will subsidize 60% of the \$20 which equals \$12.

Example 2: If you receive a 25% Financial Aid Package for 2018-2019 and you purchase a required iBook for History and another required iBook for Science for a total of \$36, Gilman will subsidize 25% of the \$36 which equals \$9.

To receive this subsidy, **please email a copy of the receipt to me.** Any subsidy that Gilman provides will be credited to your Gilman account. **A copy of the receipt must be submitted before the account is credited.** Gilman School will not pay a percentage of the cost for a book that is not required. Please feel free to contact me if I can assist you with this process or if you have any questions.

Sincerely,
Kip Digges

Director of Financial Aid
