Postponed.

5.2 Resignations/Retirements/New Hires

A letter of resignation from Denise Martin was distributed. Mrs. Martin plans to retire at the end of the 2017 – 2018 school year. It was noted that Mrs. Martin has been a teacher at BEMS for 32 years. Mr. Pandolfo and Mr. Taffel praised Mrs. Martin as one who has continuously gone above and beyond in her duties, has always been open to, and embraced new ideas, has an outstanding ability to connect with students and parents, and overall has done a phenomenal job at BCEMS.

On a motion by Mrs. Pregent, seconded by Mr. McMichael, the Board unanimously voted to accept with regrets and best wishes, the resignation of Denise Martin.

5.3 PBIS

Screen prints from a Power Point Presentation titled ‘Behavior and Support Systems and Use of Data’ were distributed. Pierre LaFlamme addressed the Board advising that the goal of the presentation was to provide the Board with a good snapshot of the highlights of the Behavior and Support Systems currently in place and to provide an overview of the data and how it is used. 

Mr. LaFlamme proceeded with the Power Point presentation, noting a significant change that occurs when students move from 4th grade to 5th grade. There has historically been an increase in incidents when students transfer to middle school. It was noted that there are very few instances that occur in Pre-kindergarten. It was confirmed that the data, as reported, indicates the number of incidents, not the number of students (e.g., one student could have a high number of incidents). It was noted that it is important to identify specific classrooms that need very specific expectations. It was reported that some teachers are now processing some issues in the classroom, rather than referring students (e.g. TAB out – take a break) to the Support Room. There is zero tolerance for peer aggression and defiance. Defiant behavior is broken into minor and major categories. Major defiance includes throwing of objects and tipping over desks. The lower levels of defiance are usually dealt with in the classroom. Certain behaviors result in ‘work’ by students. The work assigned is not a punishment, but rather is assigned as a way to make up for actions and contribute positively to the school. Mr. LaFlamme advised regarding data integrity and noted that data integrity is subject to many factors, including; coding issues, changes to intervention strategies, timely completion of referrals, and consistency amongst staff regarding referrals. It was noted that students that are in ‘outside placement’, are not included in the data, though data for these students is regularly shared with each students’ team. Mrs. Spaulding would like to see aggregated data for outplaced students to assist with determining if students are being dealt with effectively and to confirm if providers are meeting expectations. Though some data is broken out by ethnicity, the data is not currently sorted based on other factors such as housing status, IEPs, etc. Mr. LaFlamme advised that data integrity involves his thorough review of all data, confirmation that the presented issues are accurate, and educating staff. Mr. LaFlamme has disaggregated the data by the different reasons for utilization of the Support Room. Mr. Cecchinelli thought it would be beneficial to have 4 years of data provided. Mr. Smith queried regarding possible training needs to assure that teachers are calibrating data, and staying motivated to continue doing so.

5.4 VSBA Video

Mr. Pandolfo advised that he has sent Board Members a link to the video. The video provides an overview of the current education funding system. A link will be put on the web site and possibly on Facebook and Front Porch Forum. Board Members were encouraged to watch the video. Mrs. Spaulding advised that she has watched the video and it is very informative.

5.5 Audit Presentation

A copy of a letter from Mudgett Jennett & Krogh-Wisner, PC (dated 01/05/18) was distributed. A document for BEMS, titled ‘Financial Statements June 30, 2017 And Independent Auditor’s Report’ was distributed. Mr. Kimberly addressed the Board, and encouraged Board Members to offer comments and ask questions as he provided an overview of the Audit Report. Mr. Kimberly advised that the audit process began in October and concluded in December. The audit went smoothly and there were no findings. It was noted that the inter-district activity took longer than expected to reconcile. Mr. Kimberly proceeded to provide an overview of the letter and of two reports; the Financial Statements Report (Operations), and the Internal Control and Compliance Report. It was announced that there were no deficiencies, and no instances of non-compliance. Mr. Kimberly answered questions from the Board, including those relating to depreciation, and pension liability. Mr. Kimberly encouraged Board Members to contact him or
Mr. Mudgett should any other questions arise. Mr. Pandolfo thanked Mr. Kimberly for stepping in for Mr. Mudgett. Mr. Kimberly and Mrs. Perreault were thanked for their efforts conducting the audit.

On a motion by Mrs. Pregent, seconded by Mrs. Chiodi, the Board unanimously voted to approve the Audit Report as presented.

This policy also involved lengthy discussion by the Policy Committee and was well vetted by VSBA, VSBIT and legal counsel. A letter reiterating Mr. Deering’s opposition to the policy was read to the Board. It was noted that the Handbook is not signed off on by parents or students. Mrs. Spaulding advised that Mr. Deering’s opinion is respected, but that the policy has been vetted by VSBA, VSBIT, and BSU Counsel. Mrs. Spaulding advised that she would hesitate to re-write a policy that has already been reviewed by attorneys and other organizations. Mrs. Chiodi advised that cell phone searches do not happen frequently.

On a motion by Mrs. Chiodi, seconded by Mr. Cecchinelli, the Board unanimously voted to approve the First Reading of the Search, Seizure, and Interrogation of Student by School Personnel Policy (F4).
