62 Alumni Drive, Canaan, New Hampshire 03741

Student's Inventory of Valuables

Student's Name: _____

Entering Grade: _____

Please Print:

(Last)

(First)

(MI)

As indicated in the Student Handbook, personal items such as cameras, radios, stereo equipment, iPods, and printers may be brought to school. Please note, however, that the School's insurance will not cover the loss of such items. A vital deterrent to the loss of your property is keeping careful track of these valuable possessions. The serial numbers of these items should be recorded at home, and they should be protected under the family's homeowner's insurance policy.

To facilitate your record keeping for insurance purposes, and to help your child at school, we would like to ask you to complete this form. Once completed, please return one copy to the director of student life at Cardigan Mountain School and keep a copy at home for your personal file.
