Placement Agreement For Non-Resident Students

Available for download at: www.region18.org/forms

Non-resident students who attend Lyme-Old Lyme Public Schools for a semester or year add a great deal to the social and cultural diversity of our student population and are welcome within the limits of the resources available in Regional School District #18.

However, because of the uniqueness of their situation, it is very important to clearly define and agree to each student's purpose, status and outcomes.
