Board of Trustees Girls Preparatory Charter School of the Bronx

#### **Report on the Financial Statements**

We have audited the accompanying financial statements of Girls Preparatory Charter School of the Bronx (the "Charter School"), which comprise the statement of financial position as of September 30, 2014, and the related statements of activities and changes in net assets, functional expenses, and cash flows for the period from July 1, 2014 to September 30, 2014, and the related notes to the financial statements.

#### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

#### Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Charter School's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Charter School's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

### **Opinion**

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Girls Preparatory Charter School of the Bronx as of September 30, 2014, and the changes in its net assets and its cash flows for the period from July 1, 2014 to September 30, 2014 in accordance with accounting principles generally accepted in the United States of America.

## **Other Report Required by Government Auditing Standards**

The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. ## NOTES TO FINANCIAL STATEMENTS

## SEPTEMBER 30, 2014

## NOTE A: THE CHARTER SCHOOL AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

## The Charter School

Girls Preparatory Charter School of the Bronx (the "Charter School"), is an educational corporation operating as a charter school in the borough of Bronx, New York City. On February 23, 2009, the Board of Regents of the University of the State of New York granted the Charter School a provisional charter valid for a term of five years and renewable upon expiration. The Charter School obtained a renewal through January 2017.

The Charter School was established to prepare underserved elementary and middle school students for higher education, civic involvement and lifelong success through a structured, caring environment of high academic expectations.

## Financial Statement presentation

The financial statements of the Charter School have been prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America (GAAP). The Charter School reports information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets and permanently restricted net assets.

These classes of net assets are defined as follows:

<u>Permanently restricted</u> – Net assets resulting from contributions and other inflows of assets whose use by the Charter School is limited by donor-imposed stipulations that neither expire by passage of time nor can be fulfilled or otherwise removed by actions of the Charter School. The Charter School had no permanently restricted net assets at September 30, 2014.

<u>Temporarily restricted</u> – Net assets resulting from contributions and other inflows of assets whose use by the Charter School is limited by donor-imposed stipulations that either expire by passage of time or can be fulfilled and removed by actions of the Charter School pursuant to those stipulations. The Charter School had no temporarily restricted net assets at September 30, 2014.

<u>Unrestricted</u> – The net assets over which the Governing Board has discretionary control to use in carrying on the Charter School's operations in accordance with the guidelines established by the Charter School. The Board may designate portions of the current unrestricted net assets for specific purposes, projects or investment.

### Revenue and support recognition

Revenue from state and local governments resulting from the Charter School's charter status and based on the number of students enrolled is recorded when services are performed in accordance with the charter agreement.

Revenue from federal, state and local government grants and contracts are recorded by the Charter School when qualifying expenditures are incurred and billable.

# NOTE A: THE CHARTER SCHOOL AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, Cont'd

## **Contributions**

Contributions received are recorded as unrestricted, temporarily or permanently restricted support depending on the existence of any donor restrictions. A contribution that is received and expended in the same period for a specific purpose is classified as unrestricted revenue.

Contributions are recorded as restricted support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities and changes in net assets as net assets released from restrictions.

## Cash

Cash balances are maintained at financial institutions located in New York and are insured by the FDIC up to \$250,000 at each institution. In the normal course of business, the account balances at any given time may exceed insured limits. However, the Charter School has not experienced any losses in such accounts and does not believe it is exposed to any significant risk in cash.

## Grants and other receivables

Grants and other receivables are stated at the amount management expects to collect from outstanding balances. Management provides for probable uncollectible amounts based on its assessment of the current status of individual receivables from grants, agencies and others. Balances that are still outstanding after management has used reasonable collection efforts are written off against the allowance for doubtful accounts. There was no allowance for doubtful accounts at September 30, 2014.

## Property and equipment

Property and equipment are recorded at cost. Depreciation is computed using the straight-line method on a basis considered adequate to depreciate the assets over their estimated useful lives, which range from three to ten years.

## Deferred revenue

The Charter School records grant revenue as deferred revenue until it is expended for the purpose of the grant, at which time it is recognized as revenue.

## NOTES TO FINANCIAL STATEMENTS, Cont'd

# NOTE A: THE CHARTER SCHOOL AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, Cont'd

## Tax exempt status

The Charter School is a tax-exempt organization under section 501(c)(3) of the Internal Revenue Code and applicable state regulations and, accordingly, is exempt from federal and state taxes on income. The Charter School has filed for and received income tax exemptions in the jurisdictions where it is required to do so.

The Charter School files Form 990 in the U.S. federal jurisdiction. With few exceptions, as of September 30, 2014, the Charter School is no longer subject to U.S. federal income tax examinations by tax authorities for the years ended prior to June 30, 2012. Tax returns for the years ended June 30, 2012 through September 30, 2014 are still subject to potential audit by the IRS. Management of the Charter School believes it has no material uncertain tax positions and, accordingly, it will not recognize any liability for unrecognized tax benefits.

## Contributed services

The Charter School receives contributed services from volunteers to develop its academic program and to serve on the Board of Trustees. In addition the Charter School received transportation services, special education services and speech therapy classes for the students from the local district. These services are not valued in the financial statements.

#### Marketing and recruiting costs

The Charter School expenses marketing and recruiting costs as they are incurred. Total marketing and recruiting costs approximated \$1,700 for the period from July 1, 2014 to September 30, 2014.

#### Use of estimates in the preparation of financial statements

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

## Subsequent events

The Charter School has conducted an evaluation of potential subsequent events occurring after the statement of financial position date through October 22, 2015, which is the date the financial statements are available to be issued. No subsequent events requiring disclosure were noted.

## NOTE B: RELATED PARTY TRANSACTIONS

Friends of Girls Preparatory Charter School of New York, Inc. and the Charter School have common Board members on their Boards of Trustees.

Public Preparatory Network, Inc., a not-for-profit organization, provides management and other administrative support services to the Charter School. The Charter School entered into an annual agreement with Public Preparatory Network, Inc., dated August 12, 2009, under which the Charter School pays a service fee of a set percentage of the year end student enrollment full time equivalents at the school multiplied by the approved per pupil operating expenses for the school year. The percentage is 12% for the period from July 1, 2014 to September 30, 2014. The agreement is able to be renewed annually. ## NOTE G: CONTINGENCY

Certain grants and contracts may be subject to audit by funding sources. Such audits might result in disallowance of costs submitted for reimbursement by the Charter School. Management is of the opinion that such disallowances, if any, will not have a material effect on the accompanying financial statements. Accordingly, no amounts have been provided in the accompanying financial statements for such potential claims.

## NOTE H: CONCENTRATIONS

During the period from July 1, 2014 to September 30, 2014, 97% of total operating revenue and support came from per-pupil funding provided by New York State. The per-pupil rate is set annually by the State based on the school district in which the Charter School's students are located.

## INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

Board of Trustees Girls Preparatory Charter School of the Bronx

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the financial statements of Girls Preparatory Charter School of the Bronx, which comprise the statement of financial position as of September 30, 2014 and the related statement of activities and changes in net assets, functional expenses, and cash flows for the period from July 1, 2014 to September 30, 2014, and the related notes to the financial statements, and have issued our report thereon dated October 22, 2015.

## **Internal Control Over Financial Reporting**

In planning and performing our audit of the financial statements, we considered Girls Preparatory Charter School of the Bronx's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Girls Preparatory Charter School of the Bronx's internal control. Accordingly, we do not express an opinion on the effectiveness of Girls Preparatory Charter School of the Bronx's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Charter School's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over financial reporting that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

## **Compliance and Other Matters**

As part of obtaining reasonable assurance about whether Girls Preparatory Charter School of the Bronx's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

We noted certain matters that we have reported to management of Girls Preparatory Charter School of the Bronx in a separate letter dated October 22, 2015.

## **Purpose of This Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Charter School's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Charter School's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

#### <u>Auditor's Responsibility</u>

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Organization's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

## NOTES TO FINANCIAL STATEMENTS

## JUNE 30, 2015

## NOTE A: THE ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

## Basis of presentation

The accompanying financial statements include the accounts of Girls Preparatory Charter School of New York ("Girls Prep LES"), Boys Preparatory Charter School of New York ("Boys Prep") and Girls Preparatory Charter School of the Bronx ("Girls Prep Bronx"), collectively forming Public Prep Charter School Academies (collectively referred to as the "Organization").

In April 2014, each of the individual Charter School's Boards of Trustees unanimously approved the merger of Boys Preparatory Charter School of New York, Girls Preparatory Charter School of New York and Girls Preparatory Charter School of the Bronx. On June 4, 2014, the SUNY Board of Trustees approved the merger. The merger was approved by the New York State Education Department on September 29, 2014. Effective October 1, 2014, Boys Prep and Girls Prep Bronx merged into Girls Prep LES. Girls Prep LES then changed its name to Public Prep Charter School Academies. All intercompany balances and transactions have been eliminated in the accompanying financial statements.

## The Organization

Public Prep Charter School Academies is an education corporation that has authority to operate the charter schools as described below. Although Public Prep Charter School Academies operates the charter schools subsequent to the merger, each school remains separately chartered.

Girls Prep LES operates in the borough of Manhattan, New York. On March 23, 2004, the Board of Regents of the University of the State of New York granted Girls Prep LES a provisional charter valid for a term of five years and renewable upon expiration. Girls Prep LES obtained a renewal through June 30, 2020.

Boys Prep operates in the borough of Bronx, New York. On December 14, 2010, the Board of Regents of the University of the State of New York granted Boys Prep a provisional charter valid for a term of five years and renewable upon expiration. In connection with the merger as described above, the charter's expiration date was extended to July 31, 2019.

Girls Prep Bronx operates in the borough of Bronx, New York. On February 23, 2009, the Board of Regents of the University of the State of New York granted Girls Prep Bronx a provisional charter valid for a term of five years and renewable upon expiration. Girls Prep Bronx obtained a renewal through July 31, 2017.

Each of the Charter Schools were established to prepare underserved elementary and middle school students for higher education, civic involvement and lifelong success through a structured, caring environment of high academic expectations.

## Financial Statement presentation

The financial statements of the Organization have been prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America (GAAP). The Organization reports information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets and permanently restricted net assets.

## NOTES TO FINANCIAL STATEMENTS, Cont'd

## JUNE 30, 2015

## NOTE A: THE ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, Cont'd

These classes of net assets are defined as follows:

<u>Permanently restricted</u> – Net assets resulting from contributions and other inflows of assets whose use by the Organization is limited by donor-imposed stipulations that neither expire by passage of time nor can be fulfilled or otherwise removed by actions of the Organization. The Organization had no permanently restricted net assets at June 30, 2015.

<u>Temporarily restricted</u> – Net assets resulting from contributions and other inflows of assets whose use by the Organization is limited by donor-imposed stipulations that either expire by passage of time or can be fulfilled and removed by actions of the Organization pursuant to those stipulations. As of June 30, 2015, the Organization had temporarily restricted net assets of \$35,000 which were restricted to use for field trips and technology items.

<u>Unrestricted</u> – The net assets over which the Governing Board has discretionary control to use in carrying on the Organization's operations in accordance with the guidelines established by the Organization. The Board may designate portions of the current unrestricted net assets for specific purposes, projects or investment.

## Revenue and support recognition

Revenue from state and local governments resulting from the Organization's charter status and based on the number of students enrolled is recorded when services are performed in accordance with the charter agreement.

Revenue from federal, state and local government grants and contracts are recorded by the Organization when qualifying expenditures are incurred and billable.

Contributions are recognized as revenue in the period the pledge is received and documented.

#### Contributions

Contributions and unconditional promises to give are recorded as unrestricted, temporarily or permanently restricted support depending on the existence of any donor restrictions. A contribution that is received and expended in the same period for a specific purpose is classified as unrestricted revenue.

Contributions are recorded as restricted support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities and changes in net assets as net assets released from restrictions.

## Cash

Cash balances are maintained at certain financial institutions located in New York and are insured by the FDIC up to \$250,000 at each institution. In the normal course of business, the cash account balances at any given time may exceed insured limits. However, the Organization has not experienced any losses in such accounts and does not believe it is exposed to significant risk in cash.

## NOTES TO FINANCIAL STATEMENTS, Cont'd

## JUNE 30, 2015

## NOTE A: THE ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, Cont'd

### Grants and other receivables

Grants and other receivables are stated at the amount management expects to collect from outstanding balances. Management provides for probable uncollectible amounts based on its assessment of the current status of individual receivables from grants, agencies and others. Balances that are still outstanding after management has used reasonable collection efforts are written off against the allowance for doubtful accounts. There was no allowance for doubtful accounts at June 30, 2015.

## Property and equipment

Property and equipment are recorded at cost. Depreciation and amortization are computed using the straightline method on a basis considered adequate to depreciate the assets over their estimated useful lives, which range from three to ten years. Leasehold improvements are amortized over the lesser of the lease term or useful life.

## Tax exempt status

The Organization is a tax-exempt organization under section 501(c)(3) of the Internal Revenue Code and applicable state regulations and, accordingly, is exempt from federal and state taxes on income.

The Organization has filed for and received income tax exemptions in the various jurisdictions where they are required to do so. The Organization files Form 990 tax returns in the U.S. federal jurisdiction. With few exceptions, as of June 30, 2015, the Organization is no longer subject to U.S. federal or state income tax examinations by tax authorities for years ended before June 30, 2012. Years ended June 30, 2012 through June 30, 2015 are still subject to potential audit by the IRS. Management of the Organization believes they have no material uncertain tax positions and, accordingly, will not recognize any liability for unrecognized tax benefits.

## Contributed services

The Organization receives contributed services from volunteers to serve on the Board of Trustees. In addition the Organization received transportation services, special education services and speech therapy instruction for the students from the local district. These services are not valued in the financial statements.

#### Marketing and recruiting costs

The Organization expenses marketing and recruiting costs as they are incurred. Total marketing and recruiting costs approximated \$18,700 for the period from October 1, 2014 to June 30, 2015.

### Deferred revenue

The Organization records grant revenue as deferred revenue until it is expended for the purpose of the grant, at which time it is recognized as revenue.

### Use of estimates in the preparation of financial statements

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

# **ADVISORY COMMENT LETTER**

JUNE 30, 2015

MENGEL METZGER BARR & CO. LLP

Certified Public Accountants

October 27, 2015

To the Board of Trustees Public Prep Charter School Academies

In planning and performing our audit of the financial statements of Public Prep Charter School Academies as of June 30, 2015 and for the period from October 1, 2014 to June 30, 2015, and the separate audits of the financial statements of Girls Preparatory Charter School of New York (Girls Prep LES) as of September 30, 2014 and for the period from July 1, 2014 to September 30, 2014; Girls Preparatory Charter School of the Bronx (Girls Prep Bronx) as of September 30, 2014 and for the period from July 1, 2014 and for the period from July 1, 2014 to September 30, 2014; Girls Prep) as of September 30, 2014 and for the period from December 14, 2010 (date of inception) to September 30, 2014, collectively, the "Charter Schools", in accordance with auditing standards generally accepted in the United States of America, we considered the Charter Schools' internal control over financial reporting (internal control) as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Charter Schools' internal control. Accordingly, we do not express an opinion on the effectiveness of the Charter Schools' internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the Charter Schools' financial statements will not be prevented, or detected and corrected on a timely basis.

Our consideration of internal control was for the limited purpose described in the first paragraph and was not designed to identify all deficiencies in internal control that might be significant deficiencies or material weaknesses and, therefore, there can be no assurance that all such deficiencies have been identified. We did not identify any deficiencies in internal control that we consider to be material weaknesses, as defined above. However, material weaknesses may exist that have not been identified.

During the course of our audit of the financial statements of the Charter Schools as of June 30, 2015 and for the period then ended, we observed the Charter Schools' significant accounting policies and procedures and certain business, financial and administrative practices. As a result of our observations, we suggest you consider the following comments which we do not consider to be significant deficiencies or material weaknesses:

## **Credit Card Reconciliations**

During our audit, we selected two months of credit card reconciliations to test for each Charter School. As a result of our testing, we noted Girls Prep LES had two credit card purchases, totaling \$652, from the August 2014 statement, which totaled \$19,596, missing supporting receipts included in the reconciliation. We also noted three credit card purchases, totaling \$109, from the February 2015 statement, which totaled \$14,582, missing supporting receipts included in the reconciliation. We noted Girls Prep Bronx had five credit card purchases, totaling \$719, from the August 2014 statement, which totaled \$12,998, missing supporting receipts included in the reconciliation. We also noted nine credit card purchases, totaling \$1,690, from the February 2015 statement, which totaled \$23,486, missing supporting receipts included in the reconciliation. We noted no instances of missing receipts for Boys Prep during our testing.

## **Recommendation**

We recommend the Charter Schools retain supporting documentation for all credit card purchases.

## **Check Signing**

During our audit, we noted the Charter Schools' Fiscal Policies and Procedures Manual ("FPPM") states that individuals are not allowed to approve payments or execute checks to themselves. Our testing found that in one instance, a reimbursement check written to the Principal of Girls Prep Bronx Middle School was also signed by the same individual.

## **Recommendation**

We recommend proper check signing procedures are followed as documented in the FPPM.

## Purchase Order and Packing Slip Approval

The Charter Schools' Fiscal Policies and Procedures Manual (FPPM) requires purchase orders to be completed and approved in order to make a purchase. Additionally, the CEO or COO is to approve all purchase orders greater than \$5,000. During our audit, we noted all POs tested appeared properly completed and authorized for Girls Prep LES. We noted the Directors of Operations at Girls Prep Bronx Middle School and Boys Prep indicated purchase orders were completed at those schools only when required by the vendor. Additionally, the FPPM requires all shipments be reviewed and the packing slip marked indicating review and receipt and maintained in a file. We noted two instances in our Girls Prep Bronx testing where packing slips were kept but not signed as reviewed (Middle School), and other instances were no packing slips were retained (Elementary School). We noted all packing slips tested were properly signed and maintained by Girls Prep LES and Boys Prep.

## **Recommendation**

We recommend the Charter Schools follow the procedures as documented in the FPPM as this provides an important control over Charter School funds and determining goods are appropriately received prior to payment.

### Payroll Approval Procedures

We noted during the audit that the Charter Schools' FPPM states that each period's payroll is to be approved by the Principal, school-based Director of Operations (DOO), Director of Human Resources, and Chief Operating Officer (COO). Our testing found that for all the Charter Schools the procedure being followed has positive approval via email from only the DOO and Director of HR or COO, and that Principal approval is assumed if no response to the email.

## **Recommendation**

We recommend payroll approval be obtained via email response from all parties as outlined in the FPPM. If approval from all four individuals as described in the FPPM is no longer considered necessary, the language in the FPPM should be updated to reflect the procedure currently utilized.

## Check Log

We noted during the audit, the Charter Schools' FPPM states that an ongoing Excel file is to be maintained logging receipt of all checks. Our testing found no check log was used at Boys Prep or Girls Prep Bronx Middle School.

#### **Recommendation**

We recommend the Charter Schools implement procedures as outlined in the FPPM.

## **Bids and quotes**

During our audit, we reviewed the Charter Schools' Financial Policies and Procedures Manual ("FPPM") to gain an understanding of the controls in place at the Charter School. The FPPM requires competitive bidding procedures for purchases exceeding \$25,000 in the aggregate. Certain exceptions from these procedures are allowed as documented in the FPPM. Our testing of certain invoices across all of the Charter Schools found that in all cases bids were not obtained as the purchase fell into one of the allowed exceptions. However, we noted no written evidence of the allowable exception is maintained with the purchase.

#### **Recommendation**

We recommend the Charter Schools retain documentation of the quotes received when competitive bidding is required. In situations where competitive bidding is not required, this fact, along with the appropriate reason for exception should be documented on the purchase order or purchase request form. We recommend Charter School management periodically review preferred vendors to ensure vendors are not used just because they have been used before. Management should be ensuring that the Charter Schools are obtaining the best price for quality goods and services. In addition, the fact that a vendor is a preferred vendor should be documented when bids or quotes are not obtained.
