

Maryville City Schools Fee Waiver Form

All information on this application will be kept confidential

Student fees for certain supplies needed for instruction in our schools have been approved by the Maryville City Schools Board of Education. This funding provides items that are necessary to make your students' learning experiences the best they can be. School fees shall be waived for students who are eligible for free and reduced price school meals. Any other student may have their fees waived by completing this form and submitting it to the child's classroom teacher.

School fees are defined as charges for activities that take place during the regular school day including textbooks, classroom materials and supplies, and field trips.
