2. Additions and/or Deletions to the Agenda
A Legal Matter and a Personnel Matter will be added for Executive Session.

3. Visitors and Communications
Mr. Douglas Moyes addressed the Board requesting an update regarding his request that the Board reconsider the school’s policy of not providing bus service to sports teams. Mr. Moyes originally presented this request at the September 2, 2015 Board meeting. Mrs. Buzzell advised that major busing issues have continued throughout this school year. There is a shortage of bus drivers, making it difficult to provide transportation to and from school. There currently would not be bus drivers available for transportation of sports teams. Due to the current busing issues, the transportation budget is already running in a deficit. Mr. Crowley confirmed that there is an official policy in place which states that transportation will not be provided to sports teams. Mr. Crowley provided historical information regarding how/why the policy was created. Efforts are being taken to resolve current bus issues and address changes required under Act 153. Mr. Moyes was advised that school policies are available for viewing on-line. Mr. Moyes is welcome to attend the next Policy Committee meeting which will be held on January 15, 2016 at 8:00 a.m. This meeting is open to the public and anyone may attend. Mrs. McCarthy advised that determining the cost associated with transportation for sporting events would be the first step in reviewing whether or not the policy should be amended. The Board conveyed that they understand Mr. Moyes’s perspective on this issue and thanked him for presenting the issue and following up.

Mr. Nathan Reigner addressed the Board. Mr. Reigner is representing the Millstone Trails Association. Millstone trails run throughout Barre Town, including the Town Forest. The trails are open for non-motorized sports and are free and open to the public. Mr. Reigner encouraged Board members to join the MTA. The Association is in the process of expanding the number of trails that are available in the winter and are seeking Board approval to groom the trail that runs behind the school. Grooming this additional piece of trail would enable students to utilize the trails in the winter. MTA currently has an agreement in place with the Town of Barre, which allows for MTA to provide grooming on Town land. MTA holds insurance. Proof of insurance can be provided. After brief discussion, the Board and Administrative personnel agreed that the proposed grooming request would be beneficial to students and the general public. It was noted that to assure safety of the students, the grooming schedule would need to be coordinated with Facilities Director, Grant Fleming. On a motion by Mr. Tewksbury, seconded by Mrs. Metivier, the Board unanimously voted to authorize Millstone Trails, coordinating with Grant Fleming, to perform grooming to allow for winter recreation on the trails located on BTMES property.
