The Board agreed to tentatively schedule the retreats on June 15, 2017 in the SHS Library. The BTMES Retreat would be held from 2:00 p.m. to 4:30 p.m., followed by a Tri-Board Retreat beginning at 5:00 p.m. Administrators will compose a list of subject areas to be addressed for FY18. A document titled ‘Building Based (Barre Town) Special Services Director Search Process and Timeline’ was distributed. Mr. Pandolfo provided an overview of the document, advising that this process differs from past search processes because technically, the position reports to the Barre Supervisory Union and Mr. Pandolfo will not be part of the initial search committee. Mr. Griggs shared his perspective relating to last year’s Principal Search Process. Mr. Allen suggested that previously utilized BSU Search Processes be reviewed and possibly improved, and advised that representatives/input, by grade, may be beneficial.

6. Old Business
6.1 Land Transfer of Athletic Fields
Two documents were distributed; an e-mail from Barre Town Manager, Carl Rogers (dated 05/01/17), and ‘Barre Town School District Notice of Proposed Conveyance of District Real Estate’. Mr. Rogers addressed the Board and advised regarding the progress of subdividing the property into two lots. The subdivision proposal will go to the Developmental Review Board for final approval on Wednesday, May 10, 2017. A permit relating to potable water and sewer needs to be submitted. A Certificate of No Required Notice to Neighboring Property Owners also needs to be submitted. An Exchange of Easements needs to be executed. The Board will need to authorize signatures for the various forms. It was noted that voter approval is not necessary to complete the land transfer transaction.

On a motion by Mrs. McCarthy, seconded by Mrs. Farrell, the Board unanimously voted to authorize Superintendent, John Pandolfo, to sign all forms necessary to complete the land conveyance.

On a motion by Mrs. Farrell, seconded by Mrs. Hutchinson, the Board unanimously agreed to approve for signature, the Barre Town School District Notice of Proposed Conveyance of District Real Estate document. The document was then circulated for signature by all Board Members.

6.2 Transition of Transportation
A draft letter to ‘Barre Town Families’ was distributed. Mrs. Nye advised the Board that possible solutions to transportation issues (discussed at the Finance/Facilities/Transportation Meeting), cannot be implemented. First Student no longer has drivers available. Administrators recently learned that beginning May 15, 2017, BTMES will be short one bus driver. The contract with STA will begin on July 1, 2017. Administrators have met formally (with STA) to review protocol and processes for the new busing arrangement. An additional meeting will be held when more details are available and another letter will be sent to Barre Town Families. In response to a query, it was noted that BTMES does not currently use any busing software. It was noted that STA does have some software, but details of the software’s capability are not known at this time. Mr. Allen proposed offering a ‘sign-on’ bonus to promote retention of bus drivers.

6.3 Labor Relations Agreements

Mr. Pandolfo advised that some of the data in the presentation was derived using certain assumptions. Meetings scheduled with para-educators and custodial/maintenance staff were postponed.

6.4 House and Property for Sale
A copy of the Listing Card was distributed. The tax value of the Holbrook property is $165,000. The Board queried regarding a bank appraisal. In response to a query from Pat MacAskill it was noted that the property owner approached BTMES regarding possible interest in acquiring the property. The Board has not taken any action regarding purchasing the property and is in the initial phase of determining if acquiring the property would be in the best interest of BTMES. Any purchase of real estate would require voter approval. The Board determined that additional discussion regarding the purchase of real estate should be done in Executive Session.

The Staff Appreciation Breakfast will be held on Thursday, May 4, 2016 at 7:00 a.m., with a second breakfast being served around 8:00 a.m. Mr. Allen advised that he would not be able to attend, but extends his thanks to all staff. Of that amount $1699.01 is for ‘paying’ customers, with the balance belonging to students who receive free/reduced meals. Administrators are very pleased with the work that the Abbey Group has done to reduce the amount of outstanding debt.
