Hamden High School Varsity Sport Captain Application

Thank you for your interest in a leadership position on your team at HHS. Being a Captain requires special abilities and talents that will afford you the respect of your teammates and coaches. This generally is a senior privilege but there may be a very rare case when senior numbers are low that the coach/AD may allow for juniors to be able to apply. Leadership on your team carries great responsibility and effective leaders are people who are able to bring out the best in others. Please fill out the information below regarding your readiness to be eligible to participate in a leadership position on your team. The application must be completed, signed in the proper order, and with the attached essay in order for you to be eligible to participate in the Captain Selection process. You should have your essay written before you have your paper signed so the people listed below can read it. Good Luck!
