Dear Parent/Guardian,

You are receiving this letter because we are excited to share another innovative opportunity for your son/daughter. Joliet Township High School will continue to offer Blended Learning online courses on a limited basis during the 2019-2020 school year.

Our goal in offering Blended Learning opportunities is to challenge and empower students to become active learners through a combination of face-to-face and online instruction. During Blended Learning courses, students will experience a reduction in the amount of time spent on-site in the classroom, while continuing to learn through active, independent learning facilitated by the teacher. This format allows students more flexibility and control over when they choose to learn. In addition, the Blended Learning structure exposes students to the online learning environments they are likely to experience in college as well as the workplace.

Students will be required to meet on-site a minimum of two days per week based on the calendar set by the instructor and must maintain eligibility requirements. This opportunity is being offered on a limited basis to interested students enrolled in:

## English

- English 2
- English 2 Honors
- English 3
- AP English 3 Language & Composition
