

Middle School Math Teacher and Coach

Pace Academy is seeking an experienced **Middle School Math Teacher and Coach** for the 2019-2020 academic year. The Teacher will teach five classes of Middle School Math and coach one or more Middle or Upper School sports. Standard duties for this position include the preparation of course objectives and outlines for course of study in conjunction with other Middle School Faculty following curriculum guidelines. Expertise and enjoyment in working with middle school students is a necessity. Participation in faculty and professional meetings, educational conferences, and teacher training workshops is required. The Teacher will help coordinate and participate fully in one grade level overnight trip. Additionally, the Teacher must be able to serve as advisor, attend parent gatherings, and perform related duties such as sponsoring student organizations. Teacher should have interest in leading or chaperoning international Global Education tours.

Pace Academy serves 1,105 students in Pre-First through 12th grade and offers outstanding programs in academics, athletics, the arts and global leadership, with a strong emphasis on educating the “whole child.” Pace believes in knowing and loving every student. The faculty is committed to building relationships with students, encouraging them to challenge themselves to reach their full potential and imbuing them with the Pace motto: “To have the courage to strive for excellence.” Pace partners with parents to maintain a team approach to educating each student.
