Mark Your Calendars

Sunday, January 20th - Unicycle Club Performance - The Unicycle club will perform during the halftime show on the Lady Maryville College Scots vs. Wesleyan Georgia.

Please visit our CGIS website at www.maryville-schools.org/cgis to find information regarding all our activities, clubs, school calendar, classroom information, and more.

Digital Citizenship Announcements Week: Device Care 1/11/19

Here are a few words of wisdom regarding digital citizenship. This week, we are focusing on Device Care. Have you noticed sometimes your device loads pages and content a little slower? That might be a sign that you need to shut down or restart your device. At Maryville City Schools, we recommend that each person: Start a routine where you are shutting down your device once a week. Laptop users also need to restart their devices once a week. After you get in this habit, you'll notice your device performs faster consistently. Caring for your device is easy! Make the right choice.

Little Free Library

Have you noticed the blue box in front of the school that looks like a birdhouse? It is not a birdhouse; it's a Little Free Library! The Coulter Grove Little Free Library is installed and ready to be used! A Little Free Library is a book donation and exchange location. You can donate books you no longer need, and someone else can enjoy them! Go and look at the selection of books inside, and if you see one that interests you, take it! Read it, and then bring it back when you are done. There is no check in or check out process, so you can come get or leave a book whenever you would like! The books and the library itself are available at all times.

One Book Blitz T-Shirt Sale

It is that time of year! The One Book Blitz will start for 4th and 5th Grade students on February 4th. The title of the book will be a surprise until the opening ceremony for the event. When you go to order the shirt for your student the shirt will be blank with "design to be revealed". The link is: <https://onebookblitz2019.itemorder.com> and the store closes on January 21st. Students will receive shirts on the opening day February 4th.

Gift Card Collection for MCF Spotlight Event

Spotlight is an annual event for teachers and support staff, scheduled on our in-service day, February 18, 2019. During this event, we will have a guest speaker, author John O'Leary of *On Fire*. An important part of Spotlight is the opportunity to recognize all staff for employment milestones with the Maryville school district. Also, MCF will have drawings at the event and hope to make everyone feel appreciated ... which is where the gift cards come in. All Maryville City Schools will be collecting gift cards between now and January 31, 2019 for Spotlight. If you would like to give to our Spotlight gift card drawing, please send in your new or re-gifted cards to the CGIS Office.
