#### QUALIFYING CHARACTERISTICS

Parish Episcopal School is actively seeking a professional educator to serve as a full-time Upper School mathematics instructor and advisor for the 2019-2020 school year. This individual is likely to be teaching Algebra I (8<sup>th</sup> and 9<sup>th</sup> grade) and Algebra II, but applicants should be capable and comfortable teaching mathematics courses across the Parish curriculum. In addition to instructional flexibility, successful Parish teachers and advisors are committed to supporting students’ academic and personal development. Finally, applicants should be growth-oriented and open to learning about and teaching in a variety of modalities.

This position involves teaching four classes, proctoring the math lab for one block, and serving as an advisor to a group of Upper School students. The mathematics curriculum at Parish Episcopal School blends traditional and video-based content delivery, and teachers are encouraged to be innovative in their instruction. Math teachers must be competent in using Google Documents, Smartboards, the TI-Nspire graphing calculator, and the TI-Nspire navigator system. They must also be open to learning and implementing new technologies.

Parish recognizes that teaching excellence comes in many forms and we hope to see many of the following characteristics in our applicants:

- Bachelor’s degree in education or relevant field
- 3-5 years’ teaching experience
- Excellent written and verbal communication skills

- Tact and good judgment when dealing with parents, colleagues, and children
- Classroom management skills and adherence to school policies
- Commitment to positive and active participation in the life of the school
- Ability to meet physical requirements of the position
- K-12 teaching experience
