Our Learning

- Reading – The students will work on the skill of sequencing.
- Religion – We will continue to learn about the Eucharist.
- English – After the Adverbs test, the children will begin a writing unit.
- Math (Jones) – The children will work on multiplying & dividing fractions.
- Science – The students will learn about inherited traits.

Little Notes

- * The children earned a Friday Fun Day this week. Yay! Please encourage your child to keep up the hard work.
- * We had a little glitch with Scantron on Monday and were not able to test then. We will still have our Language Arts Scantron this Monday with a Reading make-up probably this week as well. A good night sleep, a healthy breakfast, and arriving to school on time will help the children.

Let it snow...(or not)

The boys and girls were told to take their English workbooks home this weekend. If there is no school on Monday, they are to finish p. 71 and 72 on Monday. They are NOT to complete it this weekend as it is an in-class assignment if we are here on Monday. The test is on Wednesday either way.
