PARENTAL RELATIONSHIP:

The School District requires a parent/guardian to provide proper proof of parental relationship. For example, if a student resides with one parent or shares residence between two (2) parents, the School District may require the parent(s) to submit an affidavit attesting to the living arrangement. Additionally, if a student resides with someone other than his/her parent, the School District may require that the parent and/or the person in parental relation submit an affidavit setting forth the circumstances under which the student resides with someone other than his/her parent. The School District may also accept other proof establishing parental relationship, such as documentation indicating that the child/children resides with a sponsor with whom the child/children has been placed by a federal agency. If you are unable to provide any proof of parental relationship, please speak with the Registrar concerning your unique circumstances.
