Board of Trustees

JoAnne Kaneda, President • Roger Bañuelos, Vice President/Clerk
Nelson Martinez, Member • Neil Goldman, Member • Israel Mora, Member

Reminder

January 10, 2019

Dear Prospective Parents/Guardians:

The Wiseburn Unified School District operates Child Development Centers that provide “Preschool” Programs for children ages 3-5. A web- based student application system (<https://wiseburn.schoolmint.net>) has been developed to assist with enrollment, district-wide tracking of open seats and wait list priorities. The Wiseburn community has continued needs for a preschool program for children ages 3-5, and as a result, application and enrollment priorities have been identified to address these needs. For the 2019-20 school year, admission priorities will be as follows:

- 1) **Families of students currently enrolled in the Juan Cabrillo and Juan de Anza preschool programs and their incoming siblings**, will be given a priority window of **February 1, 2019-February 22, 2019** to **re-register** for the Preschool Program at their site for the 2019-20 school year.
- 2) **Families of students currently on the waitlist** will be given a priority window of **February 25-March 1, 2019** to indicate their intent to remain on the waitlist for a 2019-20 placement in the Preschool Program at their site. Communication will be sent to all waitlisted families, and they will be required to indicate their intent to remain on the waitlist within the priority window.
- 3) **Wiseburn residents new to the program** will be given a priority application window of **March 4, 2019 – March 22, 2019**.
- 4) **Open enrollment for other interested families** will begin on **April 1, 2019** and will be ongoing.

Although the Wiseburn USD Preschool Program is not a required district program and is a separate fee based parent funded program offered on the Wiseburn campuses of Juan de Anza and Juan Cabrillo, the district has responded to the community need for a high quality preschool program that promotes early childhood development. Due to our limited resources, and the need to expand and meet the needs of the “wait listed” families for Kindergarten through Grade 5 Before and After-school programs, the District is only able to offer partial day preschool programs at these sites. Mark your calendars to ensure that you are accessing the web-based portal (<https://wiseburn.schoolmint.net>) during these important enrollment windows.

If you need access to a computer to complete your application on-line, one will be made available for you to use at the Anza, or Cabrillo CDC sites. If you have any additional questions about the enrollment process and the 2019-20 school year application windows, please contact your site preschool Director, Kory Higgins, (Anza) or Karla Traylor, (Cabrillo).

Sincerely,

Cathy Waller, Director of Psychological and Child Services
