

Nonacademic and Extracurricular Activities/Services

Our District takes steps to provide nonacademic and extracurricular services and activities to students with disabilities. These may include counseling services, athletics, transportation, health services, recreational activities, special interest groups or clubs sponsored by the District, referrals to agencies that provide assistance to individuals with disabilities, and employment of students, including both employment by the District and assistance in making outside employment available, in such manner as is necessary to afford students with disabilities an equal opportunity for participation in those services and activities.
