

Length of School Day and Year

The IEP will specify the length of the school day and school year. The length of the school day and year for students requiring special education and related services is the same as for students in the regular education program, unless otherwise specified in the IEP.

Extended school year services (ESY) are available as necessary to provide a free appropriate public education. Our District provides extended school year services only if the PPT that develops the student's IEP determines, on an individual basis, that the services are necessary for the provision of FAPE. The District does not limit extended school year services to particular categories of disabilities and does not unilaterally limit the type, amount, or duration of those services.
