

Transportation

The District provides, as a related service, safe and appropriate transportation as needed to implement the IEP for each student requiring special education and related services. Total travel time does not exceed one hour each way to and from a special education facility and all decisions relating to travel time shall take into account the nature and severity of the student's exceptionality and the student's age. If an appropriate placement cannot be made without exceeding the one-hour travel time limit, written parental consent is obtained prior to implementing the transportation service. Transportation services are specified on the IEP
