internationalcollegelb #AlumniNews "IC is more than just a K12 school. IC shaped me. IC gave me the civic, cultural, and educational base needed to be successful in life. And the confidence to immigrate to the United States and become the first adult immigrant to be elected to the Virginia House of Delegates, the first elected legislative body in the New World — Mr. Jefferson's House. Thank you International College." @davidramadan

internationalcollegelb Once again the Christmas Giving Tree at Ain Aar's Lower School helped raise a very large amount of funds for local charitable organizations. This student-initiated action is such a worthwhile activity. Thank you to all! #icspirit
