
Transportation

Hamden Public Schools provides transportation if it is necessary for the student to benefit from or participate in the services identified in the services plan. Transportation is provided:

- from the student's school or home to a site other than the private school; or
- from the service site to the private school, or to the student's home, depending on the timing of the services.

If transportation is necessary for the private school student with a disability to benefit from or participate in the services provided by our District, transportation costs may be included in calculating the amount we must spend on providing special education and related services.

The District is not required to provide transportation from the student's home to the private school.
