
Use of Funding

Our District spends the following to provide special education and related services to parentally placed private school children with disabilities: For children ages 3 thru 21, an amount that is the same proportion of our total subgrant under section 611 (f) of the IDEA as the number of private school children with disabilities ages 3 through 21 who are enrolled by their parents in private schools located in our District, is to the total number of children with disabilities in our jurisdiction ages 3 through 21. For children ages 3 through 5, an amount that is the same proportion of our subgrant under section 619 (g) of the IDEA as the number of parentally placed private school children with disabilities ages 3 through 5 who are enrolled by their parents in a private school located in our District, is to the total number of children with disabilities in our jurisdiction ages 3 through 5.

Our District may use funds, available under Sections 611 and 619 of IDEA to make public school personnel available in other than public facilities:

- to the extent necessary to provide services for private school students with disabilities designated to receive services; and
- if those services are not normally provided by the private school.

The District may use funds available under Sections 611 or 619 of IDEA to pay for the services of an employee of a private school to provide services if:

- the employee performs the services outside of his or her regular hours of duty; and
- the employee performs the services under public supervision and control; and
- the employee is appropriately qualified, licensed or certified.

The District will not use funds available under Sections 611 or 619 of IDEA for:

- the needs of the private school;
- the general needs of the students enrolled in the private school;
- financing the existing level of instruction in a private school;
- repairs, minor remodeling or construction of private school facilities; and
- to otherwise benefit the private school or meet the needs of a private school.

The District will not use funds available under Sections 611 or 619 of IDEA for classes that are organized separately, on the basis of school enrollment or religion, if the classes:

- are at the same site; and
- include students enrolled in public schools and students enrolled in private schools.
