

S2SS Program Overview

Program Summary

- Safe 2 Say Something is an anonymous reporting system that is launching in all Pennsylvania schools
- Safe 2 Say Something helps students recognize and report at-risk behavior
- Students and adults can submit tips through the Safe 2 Say app, website or 24/7 crisis hotline
- All tips are received by certified crisis counselors and reported to the school district to act upon
- The school then investigates, assesses and intervenes (as needed)

Why Say Something?

In most cases of violence or harmful acts, there are warning signs or signals

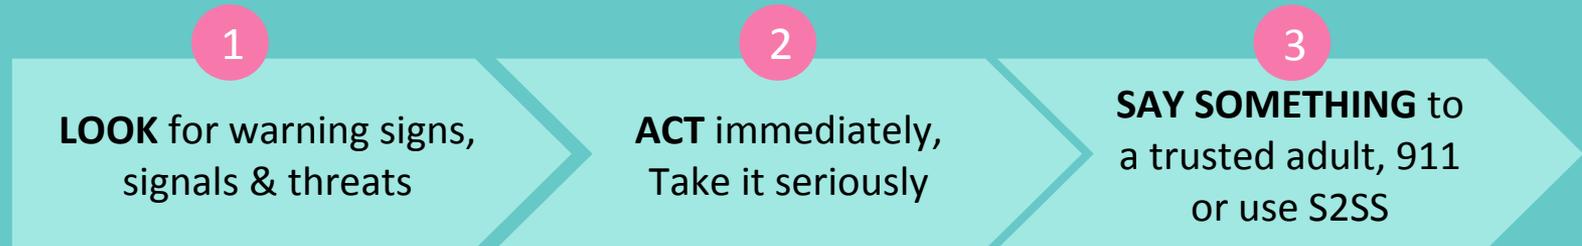

- 80% of school shooters tell someone of their violent plans. 69% tell more than one person
- Most mass shootings are planned for 6+ months
- Up to 70% of people who complete suicide tell someone their plans or give some other warning sign
- 37% of threats of violence, bullying, etc. are sent electronically. 28% used social media

However – these signs and signals are often not reported because youth (and the adults around them) do NOT...

- Understand or know how to recognize signs and signals
- Believe a threat to be true because “they would never say it publicly if they meant it”
- Want to be labeled, stigmatized and/or possibly physically threatened as a “snitch”
- Want to be “that kid” or “that parent” saying something
- Feel comfortable calling 911 or talking to a trusted adult
- Know who to tell or “believe that nothing will be done to help”
- Just choose to ignore the sign or signal thinking someone else will say something – bystander effect⁴

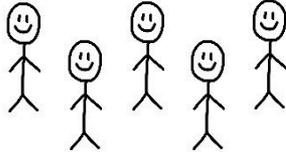

Encourages middle and high school youth (and the adults around them) to recognize warning signs and signals, especially within social media, from individuals who may be a threat to themselves or others and *Say Something* to a trusted adult, call 911 or use the S2SS anonymous reporting system

What types of things should I report?

- If it makes you uncomfortable, submit a tip. It will be up to your school to determine what the next steps are. Do you think someone is going to harm themselves? Did you see something scary that concerns you online? Submit this kind of thing.

S2SS – HOW does it work?

Step 1: Submit

A tip is submitted by a student, staff member, or a member of our community using the App, Website, or Hotline

OAG Crisis Center

Step 2: Manage

Tips are received by certified crisis counselors and reported to our school team for further evaluation

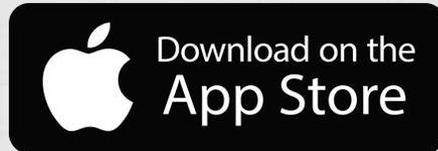

Step 3: Disposition

The school team and/or Law Enforcement will assess and intervene as needed

HOW DO I USE THE APP?

**DOWNLOAD THE APP ONTO
YOUR PHONE OR MOBILE DEVICE**

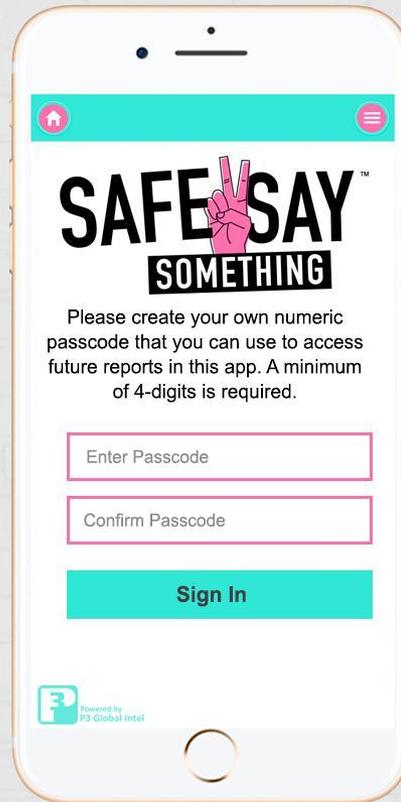

Search for "Safe2Say Something"
