4. Office of Management and Budget new Uniform Guidance Change

Agenda Item: Consent Agenda – Uniform Guidance Change
Meeting Date: September 13, 2016
Contact Person: Amy Schultz, Director of Business Services

Background:

The Office of Management and Budget, a federal regulatory agency, issued new Uniform Guidance which includes a number of changes to the federal Single Audit process which school districts must follow. Among these changes were new procurement standards which included, at times, more restrictive compliance requirements than Minnesota Statutes.

The new guidance states that school districts must get multiple quotes when making purchases of \$3,500 or more with federal funding. Minnesota legal compliance guidelines use \$25,000 as the point in which multiple quotes are required.

The District has elected to exercise an optional “grace period” (retroactive to July 1, 2015) for federal procurements and delay implementation of the procurement standards under Uniform Guidance for all federal grants through June 30, 2017. While the District uses federal funds mostly towards staffing costs, there are a small number of purchases that could be made before June 30, 2017. The district will continue to use existing procurement policies and procedures under the old standards for any federally funded procurements through June 30, 2017.

During the transition period, procedures will be developed and staff trained to ensure full compliance beginning July 2017.

Motion carried unanimously with all members present voting yes. (6-0)
