- 1.2 Unless otherwise indicated, the employees in the above Associations will be hereinafter referred to as “Para-Educators” or “employee(s)”.

## ARTICLE II RIGHTS OF THE BOARDS

- 2.1 In recognition of the fact that the laws of the State of Vermont vest responsibility in the Board for the quality of education in, and the efficient and economical operation of the Barre Supervisory Union, it is herein agreed that, except as specifically and directly modified by express language in a specific provision of this contract, and subject to all non-delegable and fiduciary responsibilities as mandated from time to time by Vermont and federal law, the Employer retains all rights and powers that it has, or may hereafter be granted by law.
- 2.2 The Board(s) exercise of any management right or function in a particular manner shall not preclude the Board(s) from exercising the same right or function in any other manner which does not expressly violate a specific written provision of this Agreement. The Board(s) failure to exercise any right or function reserved to it shall not be deemed to be a waiver of its right to exercise such right or function at any future time.

## ARTICLE III ASSOCIATION SECURITY

- 3.1 The Boards hereby agree that every Para-Educator has the right to organize, join, and support the Association and its affiliates for the purpose of engaging in collective bargaining and other activities for mutual benefit. The Boards agree that they shall not directly or indirectly discourage or deprive or coerce any ParaEducator in the enjoyment of any rights conferred under Chapter 20 of the Vermont Statutes Annotated, the Constitution of Vermont and the United States, that they shall not discriminate against any Para-Educator with respect to hours, wages, or any terms or conditions of employment by reason of his/her membership in the Association and its affiliates, his/her participation in any activities of the Association and its affiliates, collective bargaining with the Boards or his/her institution of any grievance, complaint, or proceeding under this Agreement or otherwise with respect to, any terms or conditions of employment.
- 3.2 No Para-Educator who has completed his/her probationary period will be disciplined, suspended or terminated arbitrarily and/or without procedural due process or without just cause.
- 3.3 Every newly employed Para-Educator shall serve a probationary period of forty-five (45) working days. For the purpose of this Agreement, a newly employed Para-Educator is a person with no previous employment as a Para-Educator with the Barre Supervisory Union, or a person rehired as a Para-Educator after termination for any reason except illness, accident, leave of absence, or layoff is reemployed within eighteen (18) months from the July 1 following date of layoff. It is understood and agreed that during the probationary period, a Para-Educator will not be covered by the provisions of this contract.
- 3.4 Whenever a Para-Educator is required to meet with any Supervisor or Administrator on a matter pertaining to discipline, reprimand, suspension or termination of employment, the Para-Educator shall be given prior written notice, if possible, of such appearance with the reason(s) for, the date, hour, and place of such meeting. The Para-Educator shall be entitled to have representation of the Association present at such meeting.
- 3.5 Upon receipt of a validly executed authorization form, the Board(s) agrees to deduct from the wages of the Para-Educator covered by this Agreement those dues so authorized by the Barre Town Para-Educator Association and Barre Education Association as said Para-Educator voluntarily authorizes the Board to deduct. Dues deduction authorization shall be continuous from year to year in accordance with a validly executed authorization form. Such deductions shall be made in substantially equivalent amounts. The monies, with a record of dues deduction, shall be transmitted to the treasurer of the Association according to a schedule agreed to by the parties.
- 3.6 No material derogatory to a Para-Educator's conduct, service, character or personality, except personal pre-employment references relating to employment in the Barre

Supervisory Union will be placed in his/her personnel file without just cause or without the Para-Educator having an opportunity to review such material.

The Para-Educator will acknowledge that he/she has had a chance to review such material by affixing his/her signature to the copy to be filed with the express understanding that such a signature in no way indicates agreement with the contents thereof.

The Para-Educator will also have the right to submit a written answer to such material and his/her answer will be reviewed by the Superintendent or his/her designee, and attached to the file copy.

#### ARTICLE IV EMPLOYMENT RIGHTS

- 4.1 The Barre Town Association and Barre Education Association will be notified of the **anticipated and budgeted funded** Para-Educator positions by April 1 or within thirty (30) days of the date the budget passes; **a portion of these positions may be contingent for needs that may develop after the initial issuance of contract letters.** ~~Individual Contracts letters for known these-funded~~ positions shall be sent to Para-Educators no later than May 1st and shall be returned to the Office of the Superintendent no later than May 16th, or the first regularly scheduled school day following May 16th if the 16th is not a scheduled school day. The provisions of Article 4.3 shall prevail with respect to reduction in force. The final date for return of contracts is fifteen (15) calendar days from the date of issuance.
- 4.2 The Associations and those affected Para-Educators will be informed of any reduction of Para-Educator positions resulting from managerial prerogative, notwithstanding the provisions of Article 4.1 of this Agreement, with a minimum of two (2) weeks notice.
- 4.3 If turnover and attrition fails to adequately reduce the staff, Para-Educators shall be laid off in reverse order of seniority within each building (BT/BC/SHS/BTC), provided the remaining Para-Educators are qualified, as determined by the administration, to perform the duties required of the remaining position(s). Before determining whether the remaining employees are qualified to perform the duties of the available jobs, the administration will consult with the teacher(s) most directly involved with the remaining positions.
- 4.4 Para-Educators will accrue seniority within individual building units (Spaulding High School, Barre Technical Center, Barre City Elementary and Middle School, Barre Town Middle and Elementary School) and within the classifications as provided in 4.3.

Seniority will be computed from the beginning of the ParaEducator's most recent period of continuous employment and will begin to accrue as of that date. Seniority will not be broken by unpaid leaves of absence; but such time will not be counted in computing seniority. When seniority is equal, ability to perform the work will be the deciding factor. A Para-Educator who has worked in one classification and then changes classification will maintain accrued seniority separately within each classification that she/he has worked. A Para-Educator who changes buildings to fill a vacant position will retain all previously accrued seniority separately within the corresponding classifications in the new building.

- 4.5 If there is a vacancy in a Para-Educator classification as outlined in Section 4.3, Para-Educators who were laid off from that classification will be recalled in reverse order of layoff. A laid off Para-Educator shall retain job recall rights for eighteen (18) months following the effective date of layoff provided, he/she maintains an active employment file with the Superintendent's Office. A Para-Educator who is recalled from a layoff will retain all benefits accrued at the time of layoff. Laid off Para-Educators will be guaranteed an interview for vacancies which occur in different classifications. A Para-Educator may refuse recall to a position in a different classification and continue on the recall list. Said refusal shall not alter a Para-Educator's recall rights. A Para-Educator who is recalled from a layoff will retain all sick leave benefits and retain his/her wage schedule placement at the time of layoff.
- 4.6 A laid off Para-Educator who has been recalled to fill a position must accept the position by notifying the administration within ten (10) calendar days of the written recall notice, and he/she must be available to occupy the position within fourteen (14) calendar days of the original written recall notice. If the recalled Para-Educator accepts the position and fails, without just cause, to report for work within the fourteen (14) calendar days, he/she shall forfeit all recall rights. Non-acceptance of a position by a Para-Educator on the recall list shall not diminish his/her recall rights under this Article. The time limits set forth in this section, 4.6, may be extended at the discretion of the administration.
- 4.7 No Para-Educator shall be laid off under the provision of this Agreement if the reduction can be accomplished through attrition.
- 4.8 Vacancies, which are not filled in accordance with Article IV of this Agreement, shall be processed in accordance with Article VI, vacancies and/or reassignments, of the Agreement.
- 4.9 Members of the bargaining unit shall have proper training, as a part of their employment, if asked to work with violent students. This is to protect the safety of both the Para Educators and the students.

#### ARTICLE IV

## GRIEVANCE PROCEDURE

### 5.1 Definitions

A. A "grievance" is a claim by a para-educator or para-educator (s), and the Association or both Associations that there has been a violation, a misinterpretation, or a misapplication of the terms of this Agreement, or a violation of the right to fair treatment with regards to the application of the provisions of this Agreement. However, only a grievance that alleges a violation of the written provisions of this agreement may be advanced to arbitration.

B. An aggrieved person is the person or persons or Association(s) making the claim.

C. Time Limits: All time limits consist of school days during the school year. Time limits during the summer vacation consist of workdays, Monday through Friday.

D. Association Representation: Upon selection and certification by each Association, the corresponding Board will recognize an Association grievance officer or committee. At least one Association representative may, at the option of the Association, be present for any meeting, hearing, appeals or other proceedings relating to a grievance which has been formally presented. The Association must notify the administrator involved, in writing, of its intent to be present or not be present at any such proceeding. Nothing herein contained will be construed as limiting the right of any para-educator having a grievance to discuss the matter informally with his/her supervisor, and having the grievance addressed without intervention of the Association, provided the Association has been notified and any resolution is not inconsistent with the terms of this Agreement.

E. The grievant shall, at all steps in the formal grievance procedure, be entitled to be represented by the Association or by such other representative as he/she may choose, except that at no time shall the grievant be represented by an administrative official of the school district. Nothing herein shall be construed to interfere with the Association's right and responsibility to ensure compliance with this agreement.

### 5.2 Procedure

The parties acknowledge that it is most desirable for any employee and his/her immediately involved supervisor to resolve problems through free and informal communications. When requested by the para-educator, the Association representative may intervene to assist in this resolution. However, should such informal processes fail to satisfy the para-educator or the Association, then a grievance may be processed as follows:

Step 1 The Association shall present the grievance, in writing, setting forth the problem(s) being grieved, citing any alleged contract violation, and stating the redress sought, to the school Principal, who will arrange to meet within seven (7) days with the parties. The Association's representative, the aggrieved para-educator, and the Principal (all with or without representation) shall be present for the meeting. The Principal shall

provide to the grievant and the Association a written decision within seven (7) days after such meeting, setting forth the reasons for the decision. No grievance will be given formal consideration unless it is filed at Step 1 within twenty-eight (28) days after the grievant had knowledge of the occurrence that gave rise to the grievance.

Step 2 If the grievance is not resolved at Step 1 or if a Step 1 time limit expires without the issuance of the Principal's written decision, then the Association may refer the grievance to the Superintendent or official designee within seven (7) days after the Step 1 decision was due or received. The Superintendent shall arrange for a meeting with the grievance representative(s) of the Association and the aggrieved para-educator(s) to take place within fourteen (14) days of the receipt of the appeal. Each party shall have the right to include in its representation such witnesses and counselors as it deems necessary to establish facts pertinent to the grievance. Upon conclusion of the hearing, the Superintendent will have seven (7) days in which to provide his/her written decision to the respective parties to the grievance.

Step 3 If the grievance is not resolved at Step 2 or if a Step 2 time limit expires without the issuance of the Superintendent's written decision, the Association may refer the grievance to the governing School Board or Boards within fourteen (14) days after the Step 2 decision was due or received. The Board shall arrange for a meeting within fourteen (14) days after the receipt of the appeal. Each party shall have the right to include in its representation such witnesses and counselors as it deems necessary to develop facts pertinent to the grievance. Upon completion of the meeting, the School Board will provide a written decision to the Association within fourteen (14) days.

Step 4 Arbitration - If the grievance is not resolved at Step 3, or the Step 3 time limits expire without the issuance of the School Board's written answer, then the Association on behalf of the grievant may submit the grievance to arbitration. If a demand for arbitration is not filed with the Superintendent of Schools within twenty-one (21) days of the date that the School Board's Step 3 decision was due or received, then the grievance will be deemed to be withdrawn. The Association or its representative and the Board or its representative shall seek to mutually agree upon the person of an arbitrator. If agreement cannot be reached within ten (10) days, the Association may refer the matter to the American Arbitration Association (AAA) under their Voluntary Labor Arbitration Rules. Referral to the AAA must occur no later than twenty-one (21) days from the date of the demand for arbitration.

- 5.3 During the period of time when arbitration is taking place, neither the Board(s), the grievant, or the Association(s) shall unilaterally issue any public statement concerning the matter under arbitration. The decision of the arbitrator shall be final and binding upon the parties.
- 5.4 Neither the Boards nor the Associations will be permitted to assert any grounds or evidence before the arbitrator that was not previously disclosed to the other party.
- 5.5 The arbitrator shall have no power to alter the terms of this Agreement.

- 5.6 Each party shall bear the full costs for its representation in the arbitration. The cost of the arbitrator and the AAA shall be divided equally between the parties. Should either party request a transcript of the proceedings, then that party will bear full costs for the transcript. Should both parties order a transcript, then the cost of the two transcripts will be divided equally between the parties.
- 5.7 The Board acknowledges the right of the Association's grievance representative to participate in the processing of a grievance at any level and no para-educator shall be required to discuss any grievance if the Association's representative is not present.
- 5.8 Provided the Association and Superintendent agree in writing, Step 1 and/or Step 2 of the grievance procedure may be bypassed and the grievance brought directly to the next step. Class grievances involving an administrator above the school Principal level may be filed by the Association at Step 2.
- 5.9 No reprisals of any kind will be taken by the Board(s), the administration or the Association(s) against any para-educator because of his/her participation in this grievance procedure.
- 5.10 The Board(s), administration, and Association(s) will cooperate with one another in their investigation of any grievance, and further, will furnish one another with such information as is required for the processing of any grievance. Notwithstanding the previous sentence, no grievance shall be processed during assigned working hours unless approved by the administration. If so approved, the grievant, the Association representatives and the witnesses shall be released from duties without loss of pay or benefits. Under no circumstances shall students who are minors be involved in the hearing of, or resolution of, any grievance unless prior written consent from a parent or a guardian is filed with the office of the Superintendent.
- 5.11 All documents, communications and records dealing with the processing of a grievance will be filed. All disagreements, communications and records dealing with processes of a grievance will be filed with all parties involved in the three steps of the grievance procedure. The official record is to be filed in the Superintendent's office. All documents, communications and records dealing with the processing of a grievance will be filed separately from the personnel files of the participants.
- 5.12 A grievance may be withdrawn at any level without establishing precedent.
- 5.13 Time limits and/or procedures may be changed in the above Article if both sides mutually agree in writing.

ARTICLE VI

  - b. During the period from the beginning of the special assignment to the beginning of the next school year, the Para-Educator's former position will be filled, if needed, on a temporary basis by an individual from outside the bargaining unit. The temporary Para-Educator who is hired shall receive salary and benefits in accordance with the Agreement, but he/she shall not have the right to employment for the next school year, nor will he/she have the right to layoff and recall as provided in Article IV of this Agreement.
  - c. If the special assignment position is terminated or the Para-Educator who accepted the position requests a return to his/her previous assignment prior to the beginning of the next school year, he/she shall be returned to said former assignment with no loss of salary, benefits, or seniority. If, however, the ParaEducator elects to continue the special assignment during the ensuing school year, he/she shall forfeit all rights to

## ARTICLE VIII INSURANCE

### 8.1

- A. July 1, 2017 through December 31, 2017:** In Barre Town, Barre City, Barre Technical Center, and Spaulding High School the Boards agree to hold the same medical insurance plan as that for the teachers for those Para-Educators desiring such coverage. Said medical insurance shall be for a twelve (12) month period (September 1 through August 31). Effective July 1, 2001, the employer will pay single coverage with the employee's option to pay the difference for two-person or family coverage as follows:

VEHI Dual Option Single Coverage: Board pays 90% of premium, Para-Educator pays 10%. Board contribution will be pro-rated for Para-Educators who are regularly scheduled to work at least seventeen and a half (17.5) but less than thirty (30) hours a week.

The Board agrees to administer payroll deductions for the balance of the monthly premium costs borne by the employee, provided written notification authorizing deductions is submitted by the employee to the Superintendent's office on or before August 20.

- B. Effective January 1, 2018 Para-Educators may elect coverage under one of the four (4) health insurance plans offered by VEHI. The District will contribute an amount of money toward the cost of the health insurance premium for single coverage for each full-time Para-Educator (i.e., one who is regularly scheduled to work at least thirty [30] hours a week during the school year). The District's contribution to the cost of a full time Para-Educator's single health insurance premium will not exceed \$5,700. A Para-Educator electing coverage under the VEHI Gold CDHP Plan or a more expensive group health Plan offered by VEHI will pay the difference in premium cost between the cost of the Plan selected by the Para-Educator and the amount contributed by the District. A Para-Educator selecting coverage under a less expensive Plan offered by VEHI may apply the District's premium contribution to the cost of the Plan selected in an amount up to but not to exceed the full cost of the annual premium for single person coverage under the Plan selected.**

**A Para-Educator will have the option to purchase coverage for his/her dependents at his/her own expense. Para-Educator contributions to the cost of health insurance premiums will be made by payroll deduction on a pre-tax basis through a Section 125 Plan administered by the employer.**

**In addition to the premium contributions referenced above, the Board will establish and maintain Health Reimbursement Accounts (HRA) for Para-Educators who select coverage under either the VEHI Gold CDHP Plan or the Silver CDHP Plan. The Board will pre-fund the HRA maintained for any full time employee participating in either the Gold or Silver CDHP Plan to the following levels each Plan year (January 1 through December 31): single plan = \$1,000; two person, parent and children and family plans = \$2,000. Funds in the HRA will be available and may be used solely to pay for qualified medical and prescription drug expenses that track towards the annual deductible of the Plan selected. Para-Educators will be issued debit cards with which to pay eligible medical and prescription drug charges subject to the deductible amounts funded by the Board. Unspent funds will not rollover or accumulate from year to year, but will revert to the District, subject to a ninety (90) day run out period. Para-Educators**

will be responsible for payment of qualified medical and prescription drug expenses that track towards the annual deductible only after funds in the HRA (i.e., \$1,000 or \$2,000, as applicable) are exhausted. Para-Educators are responsible for the payment of any co-payments or coinsurance charges incurred up to the out of pocket maximums for the Plan selected.

The Board will be responsible for the administrative costs of operating the HRA plan. Any substantive or procedural issue related to the operation or administration of the HRA Plan not specified herein is left to the discretion of the Board.

The Board's annual contribution toward premium costs and HRA funding (if applicable) will be pro-rated for part time Para-Educators who are eligible to join the group health insurance plan and for Para-Educators who become employed or eligible for insurance after January 1 of any Plan Year.

- C. If a Para-Educator's spouse is also employed by the BSU or by a school district in the BSU in a position which is eligible for health insurance benefits one of the employees shall be the Plan participant and the other is eligible for benefits as a dependent.**
  - D. Employee premium contributions will be made by payroll deduction on a pre-tax basis through a Section 125 Plan administered by the employer.**

  - 8.3 Should a State or National health insurance program be enacted and become available, the Boards and the Associations, as individual parties or in concert, reserve the right to reopen negotiations regarding the provisions of section 8.1.
  - 8.4 In the event that a Para-Educator is laid off, he/she may elect to continue membership in the insurance plan by paying the applicable premiums at the Office of the Superintendent for a period as allowed by the carrier and as prescribed by law. This section is contingent upon the approval of the respective insurer and the timely payment of premiums by the former Para-Educator.

- 8.5 The Boards will provide VEHI Delta Dental Insurance coverage for all ParaEducators at 50% Board contribution, plans A, B, and C. Two-Person or Family coverage may be purchased by the Para-Educator for the difference between the Boards' percent (50%) contribution and the cost of the two-person or family plan.
- 8.6 The Boards shall provide and pay the premium for a term life insurance policy for each Para-Educator in the amount of ~~fifteen~~ **twenty-five** thousand dollars (~~\$25,000~~ **\$15,000**).
- 8.7 For any period of time that a Para-Educator is receiving Workers' Compensation benefits, the Para-Educator shall not be eligible for any other paid leave/disability benefits or health insurance benefits provided by this Agreement.

For Para-Educators who participate in the district health insurance plan, for any period of time that a Para-Educator is receiving Workers' Compensation benefits, the Boards are not obligated to contribute their share of the cost of health insurance premiums. The Para-Educator may elect to pay the Board's share and continue coverage

- 8.8 **The school district or SU agrees to provide group disability insurance, and the Association agrees to accept any additional benefits included with the disability policy in place, to all Para-Educators who are eligible to receive benefits under the terms of this Agreement. Disability coverage will begin after meeting the eligibility requirements for receiving benefits under the disability plan, including a ninety (90) day elimination period. Disabilities are only those medical conditions as defined as disabilities by the carrier and covered by said insurance policy.
