PE/Heath & Safety	.5 credit total	3 blocks throughout the full year
<b>Total</b>	<b>6.5 or 7 credits</b>	

**Typically**, students take 6.5 credits in grade 9, 10 and 11, and 5.5 credits in grade 12 for **25 Credits total**.

A “full-time” course meets 6 blocks in an eight-day cycle.

A “half-time” course meets 3 blocks in an eight-day cycle.

Courses that meet for a full-year, full-time earn 1.0 credit.

Courses that meet for a semester, full-time earn .5 credit.

Courses that meet half-time (3 blocks) earn .5 credits per year or .25 per semester.

PE/Health & Safety courses meet half-time (3 blocks) and earn .125 per quarter

There are a total of 48 blocks in an eight-day cycle (A-H).

Most freshmen have non-scheduled time for Learning Centers: 3 or 6 blocks per cycle.

A schedule with 5 core subjects (Eng, SS, Sci, Math, WL or Academic Lab) + 1 full time elective + PE = 42 scheduled blocks and 6 Learning Centers = 6.5 credits scheduled

A schedule with 5 core subjects (Eng, SS, Sci, Math, WL or Academic Lab) + 1 full time elective + 1 half time elective + PE = 45 scheduled blocks and 3 Learning Centers = 7 credits scheduled

Students receiving special education services in Academic Lab earn Career & Life Skills Credit = 1.0 (6 blocks) or .5 (3 blocks)

Physical Education (.125 x 2) and Health & Safety (.25) classes will be automatically scheduled for all freshmen.
