

WELCOME FROM THE HEAD OF SCHOOL

Welcome to all APAC participants and coaches. We are honored to be a part of the APAC family and to be hosts to the 2019 APAC Forensics Championship. The camaraderie and the commitment to excellence each of you brings to this event contributes to the reputation that APAC enjoys among the broader international community.

We wish you the best of luck in the next few days. Please let us know if there is any way in which you need assistance while you are here.

Our activities director, coaches, parents, and student athletes are excited to make your visit a first-rate experience.

APAC events unite our communities in unique ways, and we celebrate the collaboration, perseverance and fun that underlie the APAC experience. Best wishes to each of you. Enjoy each other and your time here at Shanghai American School.

Shanghai American School

FROM THE HIGH SCHOOL PRINCIPAL

On behalf of the Shanghai American School community, I welcome you to this year's Forensics Championship. We appreciate you joining us in this celebration of our students' passion, talent, and commitment.

We feel fortunate to be able to host this event and share part of our community with you. This would not be possible were it not for a great deal of preparation and I hope you will join me in thanking Mrs. Kate Mouton and her team for making all the magic happen.

When schools come together to create opportunities for students to compete, inspire, and engage with each other, wonderful things happen. I would like to encourage all of us, but most especially our students, to seize this moment, meet new people, build new friendships, and stretch ourselves as people, athletes, and learners.

We are thrilled to host you in our home and will make every effort to be gracious hosts. Should you need anything during your time at SAS please do not hesitate to ask.

FROM THE ACTIVITIES DIRECTOR

I would like to take this opportunity to welcome everyone to Shanghai American School, Puxi Campus for the 2019 APAC Forensics Championship. Forensics showcases many different skills and talents and I am excited we will be able to engage the community in this quality competition.

The SAS community is honored to be hosting this APAC event. A special thank you goes out to the over 100 judges and volunteers. Forensics is truly a community event. We would not be able to host a world class experience without the support and dedication of so many community members.

On behalf of the SAS Activities Office and the Shanghai American School staff, students, and parents we hope you have a wonderful time while you are with us.
