3. Review of BTMES policies and BSU policies to rescind those that have been replaced by BSU policies

\*The policy committee reviewed policies that have been adopted or ratified by the Barre Town School Board after becoming Barre Supervisory Union Policy.

\*The committee identified several policies that will need to be rescinded to be in compliance with procedure, as well as policies that will need to be updated on the BTMES website. The committee will continue to work from the document from the BSU Policy Committee. Once this work is complete, it will be important that this committee decide what BTMES policies to keep or to transform them into procedures at the handbook level.

\*The fiscal management policy coming from the BSU will be passed to the Finance Committee to review with the four policies that already exist (DA, DBC, DBG, and DBI).

\* Jay will represent the BTMES Policy Committee at the next BSU Policy Committee meeting on February 20, 2017. He will be asking about website design as this committee wishes to display the policies

in alphabetical order linked in such a way that would display coding properly.
